

The Yun Family's Ninth Child is an Imp! Chapter 715

An Feng saw that Yun Chujiu had made up her mind, so he could not persuade her anymore. After entering, he could only act according to the situation.

The next day, everyone waited for the clock to strike three.

Zhang Biao curled his lips and said, "Humph! You're deliberately stalling! I've never heard of a specific time for treasure hunting since I was young. It's almost three o'clock. If nothing happens, I'll smack you to death."

Some people echoed the sentiment, "That's right! You're spouting nonsense! You can tell that it's already midnight just by looking at the Sun Pattern? Do you think you can predict it?"

Liu Qian glanced at them unhappily. Zhang Biao and the person who spoke shut their mouths embarrassedly. However, they were calculating in their hearts. If there were no clues when it was already midnight, then they would take the opportunity to kill this brat.

Very soon, it was already midnight.

Everyone's gaze focused on the mountain peak as they hoped to find a clue. However, they were quickly disappointed. This mountain peak did not seem to be any different from before.

Zhang Biao smiled sinisterly. "Smelly brat, are you playing us for fools? Master Zhang will cripple you today!"

Liu Qian frowned. Just as he was about to stop him, he heard a few people jeering. "Sect leader, this brat is extremely arrogant. Let Zhang Biao teach him a good lesson."

Liu Qian's eyes flickered. He had never seen Shi Ling make a move before. He could take this opportunity to see how strong he was. If he was no match for him, he could just make a move to protect his life.

Seeing that Liu Qian did not speak, Zhang Biao reached out his palm and swung at Yun Chujiu.

Yun Chujiu dodged Zhang Biao's attack and sneered, "Sect leader Liu, don't you want to go in and search for the treasure?"

Liu Qian's heart skipped a beat and quickly stopped Zhang Biao, "Young Hero Shi, did you find anything? Don't be too bothered with them. They are all boorish and only want to spar with each other. There is no malice in them. Zhang Biao, stand down!"

Zhang Biao unwillingly withdrew his hand and gave Yun Chujiu a fierce look. He thought to himself, 'if you find any clues, I will let you off temporarily. If you are deliberately bluffing, I will kill you then.'

Yun Chujiu did not even look at him. Such a clown was not worth taking too seriously. She jumped up the mountain peak and walked to the part that was illuminated by the sunlight. She pushed aside the snow and carefully examined it.

The Goshawk Sect group initially still had hope. An hour later, when they saw that Yun Chujiu still did not find anything, they could not help but sneer. It seemed that this Stone Spirit was just stalling for time. They wanted to see how long he could stall for.

Liu Qian frowned. Just as he was about to say something, he heard a loud rumble. The entire mountain peak had strangely shifted, revealing a deep cave.

Everyone was stunned. Firstly, they did not expect that Yun Chujiu had actually found the mechanism. Secondly, that the entire mountain had moved. The person who created this mechanism must have been incredibly powerful, right?!

Yun Chujiu jumped down from the mountain peak and patted the remaining snow off her hands. Then, she said to Liu Qian, "Sect leader Liu, shall we all go down together? Or should we each leave someone outside to guard the entrance?"

Liu Qian rolled his eyes and thought to himself, if we leave one person outside, it would make people worried. Therefore, he smiled and said, "If we want to make a fortune, let's all go down together."

Yun Chujiu nodded. "In that case, let's go down! Sect leader Liu, Please!"

Liu Qian's eyes flickered. Who knew what dangers were down there? He did not want to be a sacrificial lamb. Hence, he said, "Young hero Shi, you have contributed greatly to finding the entrance. You should go first."
