

## The Yun Family's Ninth Child is an Imp! Chapter 719

Yun Chujiu blinked her eyes and pointed at the people on the ground. "What about them?"

"Them? Of course they'll become food," the man sneered.

Yun Chujiu was shocked, but she felt relieved after thinking about it. Mermaids were also demonic beasts, so they naturally ate people. She pointed at An Feng and said with a smile, "Brother merman, it's fine if you eat others, but this is my companion. Can you spare him?"

The mermaids man was slightly stunned. "Little girl, why aren't you surprised when you heard that I ate humans?"

"The strong prey on the weak, It's just natural selection. What's there to be surprised about?! Humans eat you demonic beasts, and demonic beasts eat humans. It's the same logic, so there's nothing to be surprised about," Yun Chujiu said indifferently.

"Hahaha! The law of the jungle! natural selection! Little Girl, you're really interesting!"

At first, the man laughed out loud, but later, he turned crazy. His long hair danced in the wind. Yun Chujiu secretly wiped her saliva. She had to admit that this merman was really beautiful, even when he went crazy, he was still so beautiful!

"According to what you said, is it natural for our merfolk to be exterminated? Our merfolk have always been aloof from worldly affairs. We lived quietly in the deep sea. What right do you have to say that we have violated the Tian Dao and sent down Heavenly Thunder to exterminate our merfolk?" The merman's dark blue eyes began to shed blood tears. They fell to the ground and turned into blood-red beads, sparkling with a lustrous light.

Yun Chujiu had heard of Mermaids Tears before, but those were not the tears of mermaids but were produced by a type of sea clam. These were the real mermaid's tears.

“Brother merman, don’t be sad! That Old Bastard Tian Dao often did such evil things! Tell me, how did your mermaid clan offend that Old Bastard Tian Dao?” Yun Chujiu said as she secretly put away the small beads.

The merman was originally full of grief and indignation, but when he heard Yun Chujiu’s words, he was immediately dumbfounded and sat speechlessly for a long time.

He thought he had heard wrongly, “Little girl, what did you say just now?”

“I said, that old bastard Tian Dao has always done evil things to the heavens. Whenever he had nothing to do, he would strike me with lightning. F\*ck, sooner or later, I will find him to take revenge!” Yun Chujiu puffed up her cheeks and said angrily.

The merman was shocked, “You... You dare to criticize Tian Dao?”

“He has let me down, why can’t I criticize him? He does things according to his whims, there is no so-called fairness. Not only did I scold him, but I will also seek revenge on him in the future!” Yun Chujiu said angrily.

The merman was stunned, he could not help but laugh at the sky. “Yes! What you said makes sense! Tian Dao is unfair, why do we still have to fear him? If he was virtuous, he would not have punished us merfolk for no reason. Well said! Tian Dao is indeed an old bastard! He is a bastard!”

Following the Merman’s words, rumbling thunder sounded above his head. The man could not help but smile bitterly, “Little Girl, it’s fine if you scold him, but if I scold Tian Dao, the Heavenly Thunder will strike me! It’s good that it’s here. I’ve lived long enough, it’s better to destroy this place!”

However, the merman was obviously overthinking. Despite the thunder outside, that place was not affected.

“Big Brother merman, tell me, how did your merfolk offend that Old Bastard Tian Dao?” Yun Chujiu was already immune to the Thunder so she did not care about being struck by it.
