

The Yun Family's Ninth Child is an Imp! Chapter 729

"Liu Qian, what do you mean by this?" The two old men flew into a rage.

"What do I mean? Of course I mean to kill you! Do you think I will let you spread the news that I got the map? Only dead people can keep a secret!" Liu Qian said gloomily.

"Hmph! Liu Qian, you're too arrogant! We're not to be trifled with... No, wait! My spiritual power! What about my spiritual power? You, you actually poisoned me! Despicable!" The two old men realized that they had lost more than half of their spiritual power.

Liu Qian smiled coldly. "Do it! Kill them!"

The people of the Goshawk Sect attacked together. The two old men had lost more than half of their spiritual power, so they were no match for them. After fifteen minutes, they died.

During this time, Yun Chujiu was still eating leisurely, as if these things had nothing to do with her.

Seeing this, Liu Qian was a little suspicious. Could it be that the spirit devouring pill had no effect on them? Why were they so calm? Liu Qian was a little hesitant. Should he make a move on Yun Chujiu and An Feng?

"Young hero Shi, sorry for making a fool of myself! I wonder what you think of the taste of this meal?" Liu Qian was afraid of Yun Chujiu's spiritual power, so he decided to test it out first.

"The taste of the meal is very good. This grand banquet is also done very beautifully! Sect leader Liu, I've eaten and drunk the wine. May I rest now? I've been running around these days and am tired. I really want to have a good sleep!" Yun Chujiu stretched lazily, she said with a smile.

Liu Qian was even more bewildered. Just as he was hesitating, Liu Lianxin and a few disciples pulled out their swords and stabbed at Yun Chujiu and An Feng!

“Brat! You humiliated us in the plains that day, and today, I’ll kill you! Not only will I kill you, but I’ll also skin that flaming fox!” Liu Lianxin hated Yun Chujiu to death, coupled with the instigation of the male disciple whose spiritual power had been absorbed by the spirit vine, she could no longer hold back her hatred.

Liu Qian’s heart moved. It was good to let Lianxin and the others test the waters. It would be best if they were killed. If they were not killed, he would play the good cop, and the situation would be resolved. Therefore, Liu Qian gave a signal to the elders, telling them not to make a move for now and to wait and see.

Yun Chujiu’s eyes darkened. ‘These idiots are really courting death. If it wasn’t for the fact that we wanted to lure out the person with the jade token, I would’ve killed all of you!’

Yun Chujiu leaped and dodged the attacks of these people. She easily kicked Liu Lianxin and the others to the ground and then said coldly, “Sect leader Liu, is this what you meant by treating me well? Could it be that you also poisoned our dishes?”

Liu Qian laughed dryly, “Young hero Shi, how is that possible?! Aren’t the two of you doing well? You’re my savior. How can you be compared to those two greedy people?! Lianxin! I really spoiled you! Hurry up and apologize to Young hero Shi!”

“Father! This brat has humiliated me several times, and you still want me to apologize to him?” Liu Lianxin was kicked on the dining table by Yun Chujiu. The soup and water splashed all over her body, making her look very miserable.

“Bastard! Do you ever heed my words? Men! Lock up Lianxin and these bastards! No one is allowed to let them out without my order!” Liu Qian said angrily.

“Father! You! How dare you treat me like this?! I don’t want to live anymore!” Liu Lianxin was held in the palm of Liu Qian’s hand all this time. How could she have suffered such a great grievance? She immediately picked up the sword and was about to commit suicide.

Liu Lianxin was purely trying to scare Liu Qian. She did not want to die at all. However, there was a little black bird in Yun Chujiu’s spiritual beast bag. When it heard that Liu Lianxin was going to skin the Flaming Three Tailed Fox king, it was immediately unhappy. Little Red was now its underling. ‘How dare you bully my underling? I curse you to death!’ Thus, this fellow began to curse secretly.

Then, everyone watched as Liu Lianxin staggered and actually committed suicide...
