

The Yun Family's Ninth Child is an Imp! Chapter 73

When the air-transportation spiritual tool was approaching Ye City, Yun Chujiu saw the three air-transportation spiritual tools from the Drifting Cloud Sect through the window. They were probably preparing to head to the Bai family.

Yun Chujiu rolled her eyes and had an idea.

“Immortals, can this window be opened? I want to greet the Drifting Cloud Sect over there.” Yun Chujiu asked timidly.

“Drifting Cloud Sect? That sect's reputation isn't very good. How are you related to them?” Elder Sun was slightly displeased.

Yun Chujiu was overjoyed in her heart. Bad reputation? Haha, it would be great if it was bad! I was worried about how to intimidate others, but now it seems to be much easier!

“Elder Sun, it's like this. Our Yun Family and the Bai family don't have a very good relationship. When we were in the Demonic Beast Forest, the Bai siblings wanted to kill me. I used a little trick to capture Bai Morou and coincidentally met Bai Morou's cousin, Su Yanran. Su Yanran's aunt was an elder of the Drifting Cloud Sect.

“In order to save my life, I told them that my master was an elder of the Spirit Radiance Sect. She was afraid of the Spirit Radiance Sect, so she didn't kill me and was prepared to bring me back to the Drifting Cloud Sect. Who would have thought that they would abandon me during the demon beast riot?”

Yun Chujiu blabbered on, telling half-truths and half-truths about the matter, then awkwardly and guiltily grabbed the corner of her clothes. “Immortals, I'm really sorry. I felt that the Spirit Radiance Sect was the best, biggest, and most upright sect in our Azure Mystic Continent, so when I lied, I used the Spirit Radiance Sect. You don't blame me, right?”

The old men were indeed a little unhappy at the beginning. This little girl was obviously preparing to use us to intimidate Elder Su. However, when they heard what Yun Chujiu said about the best, largest, and most upright, they couldn't help but feel much better.

"Humph! That Drifting Cloud Sect has done a lot of shameful things that bully the weak and fear the strong. There is no harm in warning them. Mountain Master, just agree! This little girl is really pitiful." Elder Sun saw Yun Chujiu's pitiful look and couldn't help but soften his heart.

The square-faced old man nodded slightly. "Know your limits and know when to stop."

Yun Chujiu's little face instantly regained its vitality, and her two eyes sparkled as she repeatedly thanked them, "Immortals, you are all great people! I will definitely repay you in the future."

The elders merely smiled and did not take it to heart. How could a little girl who could not cultivate repay us?

Now that Yun Chujiu was hugging her thick legs, she naturally had to show off! After the window of the air-transportation spiritual tool opened, Yun Chujiu happily waved at the air-transportation spiritual tool of the Drifting Cloud Sect.

"Hey! Elder Su! Didn't you want to meet my master? My master is here! Not only is my master here, but my martial uncle and martial uncle are also here. Do you want to meet them?"

"Elder Su, do you still remember when you asked me to visit your Drifting Cloud Sect? Do you need me to bring my master, uncle-master, and uncle-master along?"

"Elder Su, your air-transportation spiritual tool looks a little shabby. Do you want to come to our air-transportation spiritual tool to take a look?"

The people from the Spiritual Radiance Sect...

Looks like this black girl doesn't know when to stop!

Elder Su was both angry and afraid. The air-transportation spiritual tool opposite him had the bright insignia of the Spirit Radiance Sect on it. Moreover, this air-transportation spiritual tool was rather high-end. The owner's status in the Spirit Radiance Sect was definitely extraordinary.

He did not expect that the black girl's master was really an elder of the Spirit Radiance Sect!

Elder Su glared fiercely at the Bai siblings and put on a smile. "Miss Yun, it was all a misunderstanding previously. Please don't take it to heart."
