

The Yun Family's Ninth Child is an Imp! Chapter 730

Liu Qian also thought that Liu Lianxin was just scaring him, so he did not pay too much attention to it. Furthermore, the incident happened so suddenly. By the time he regained his senses, Liu Lianxin was already dead!

“Lianxin! My daughter! My good daughter!” Liu Qian, who had just regained his senses, collapsed on the ground and wailed loudly.

Yun Chujiu frowned. No matter how she looked at it, she felt that Liu Lianxin's death was a little strange. It was as if she had fallen and hit the blade of the sword.

“Little Black, did you do this?!”

Little Black rolled its bean-like eyes. “Master, I didn't expect her to be so unlucky. I wanted to teach her a lesson, but she died just like that! Retribution! This is retribution!”

“Cut the crap! I’m warning you, if you act on your own next time, I definitely will not let you off easily!” Yun Chujiu’s head hurt a little. These three silly cubs looked obedient, but each of them was more worrisome than the last!

However, compared to the two big shots in her Dantian, these three were not bad! ‘Why is my life so bitter?!’

At that moment, the banquet hall was in chaos. Liu Qian’s eyes were red. Although he felt that Liu Lianxin’s death was a little strange, he had watched Liu Lianxin kill herself.

He did not blame himself for the trouble caused by his greed. Instead, he blamed Liu Lianxin’s death on Yun Chujiu. ‘If it weren’t for you, my daughter wouldn’t have died. I would have killed you sooner or later!’

Liu Qian could really endure it. Although he hated Yun Chujiu in his heart, he said on the surface, “Young hero Shi, I’m really sorry that such a thing happened at home. I’ll get someone to take you to rest. I’ll take care of Lianxin’s funeral before I entertain you properly.”

Yun Chujiu also revealed a pained expression. "Sect leader Liu, I'm sorry for your loss. Then, I'll rest first. We'll talk more when we have time."

Yun Chujiu and An Feng went to the guest room. Yun Chujiu had specifically asked for only one guest room. Liu Qian did not have the heart to ask about it, so the servants arranged for the two of them to stay in the same courtyard.

An Feng took out the isolation array and activated it. He asked, "Young Master, was what happened to Liu Lianxin really an accident?"

Yun Chujiu curled her lips. "Little Black caused it! I've already warned it. If there's a next time, I won't forgive it!"

An Feng's eyes twitched. 'I knew it. No matter how I look at it, that Liu Lianxin doesn't look like she was really going to commit suicide. So it's Little Black's doing.'

"Young Master, what should we do next?"

“Wait and see. We’ll lure the snake out of its hole. I reckon that person has already received the news of Liu Qian’s return and will come to visit soon. Liu Qian won’t be able to get the map from me, so that person will probably meet me personally. When the time comes, we’ll act according to the situation.”

An Feng nodded, and the two of them took turns to meditate and rest.

Although Liu Qian’s heart was filled with grief, the ambition in his heart swelled even more. He could not let Lianxin’s death be in vain. He had to turn the Goshawk Sect into a super large sect.

Even if he could not obtain the map from that Shi Ling, as long as he stalled them, when that person arrived, that person’s spiritual power would be superb and he would definitely be able to kill Shi Ling. At that time, the credit would still go to him.

Just as Liu Qian was about to make further plans, he did not expect that someone would arrive in his bedroom that night.

“My Lord! You’re here!” Liu Qian was very excited when he saw that the person who had come was the person who had given him the pills. It must have been his Lianxin’s spirit in heaven that had protected him. The Goshawk Sect’s chance to soar to the sky had come!
