

The Yun Family's Ninth Child is an Imp! Chapter 734

"Prince Charming, have you heard of the Merfolk? How did they get wiped out?" Yun Chujiu's eyes sparkled. 'Prince Charming, you know everything and are very powerful.'

When Di Beiming was looked at by Yun Chujiu's worshipful eyes, his heart immediately softened. "The Merfolk were indeed wiped out tens of thousands of years ago, but it's said that they lived in the Tianyuan Continent. Why? Is one of them imprisoned in the Qingxuan Continent?"

"Who knows what's going on?! The memory of Brother Merman has almost disappeared. Oh right, I even picked up a few of his tears. Brother Merman said that this is the best water repellent bead. Prince Charming, I will give you the biggest one!" Yun Chujiu took out the water repellent beads, picked the reddest and largest one and handed it to Di Beiming.

Di Beiming's heart was touched. Seeing Yun Chujiu give him the reddest and largest water repellent bead, his heart was filled with sweetness. Although the black thing was not interesting, he was still the number one thing in her heart. He was very gratified.

Yun Chujiu saw that Di Beiming had been coaxed by her and was very pleased in her heart. 'Little Fellow, you're such a gigolo. Settled you in a minute.'

Yun Chujiu's stomach started to growl and her eyes lit up. "Prince Charming, the snow rabbit meat on the Chimeric Icefield is very delicious. I've caught many of them. I will roast them for you to eat later."

Di Beiming's lips curled up slightly. "Okay!"

Yun Chujiu washed up briefly, hopped outside, and began to prepare the roast meat.

An Feng was afraid that Yun Chujiu would seek revenge on him, so he hid in a corner and obediently pretended to not exist.

“Little Madman! Come over and roast the meat for me!” Yun Chujiu glared at him fiercely.

The corner of An Yin’s eyes twitched violently, and he looked at An Feng with a mocking expression.

“Miss Jiu, didn’t we agree? Isn’t that just an alias on the Chimeric Plains?” An Feng asked with a sad expression.

“HMPH! You snitch! I’ll call you crazy from now on! Hurry up and roast the meat!” Yun Chujiu puffed her cheeks and said angrily.

An Feng looked at Di Beiming, hoping that His Esteemed Self would speak up for him. Who would have thought that Di Beiming would like Yun Chujiu so much that he did not even look at An Feng.

An Feng could only start to roast the meat without complaining. He was so regretful that his intestines were turning green! His lord did not even speak up for him. Miss Jiu was full of evil intentions. She might not torture him in the future!

After a while, Di Beiming saw Yun Chujiu enter the house to take something. He whispered to An Feng, “From today onward, your monthly salary will be doubled.”

The dark clouds in An Feng’s mind were instantly swept away. If he was a little crazy, then so be it. For the Spirit Stones, for the esteemed Lord’s high regard for him, he would go all out!

When Yun Chujiu came out of the house, she saw An Feng’s smile almost reaching his cheeks. She looked at him suspiciously and asked, “An Feng, did you think of something happy?”

“Miss Jiu, we returned safely from our experiential learning and even caught the person with the jade token. Naturally, we should be happy! The rabbit leg is done roasting. You and the Esteemed Lord can eat it now.”

Yun Chujiu saw the snow rabbit meat that was sizzling with oil, so she did not ask any more questions. She pulled Di Beiming to sit on the stone chair and started eating happily.

An Feng wiped away his cold sweat. It was so close, so close. It was really difficult to carry out intelligence work when he was beside Miss Jiu.

“Sigh! One must enjoy life in time. Just like Brother Merman, what’s the use of being good-looking?! He has been trapped there for tens of thousands of years. Not to mention eating roasted meat, he would be lucky if he did not starve to death!” Yun Chujiu said with a sigh.

When Di Beiming heard Yun Chujiu praising the merman’s good looks, he felt a little pang in his heart. He asked quietly, “Is that piece of mermaid really good-looking? Are you exaggerating?!”
