

The Yun Family's Ninth Child is an Imp! Chapter 736

When Di Beiming heard Yun Chujiu's words, he could no longer restrain himself. He picked Yun Chujiu up and walked into the house.

Yun Chujiu realized that she was picked up by Di Beiming again. She shouted angrily, "Put me down! You're making fun of my height!"

Di Beiming said coldly, "Black Thing if I don't punish you, you might go overboard. I will teach you a lesson today!"

Yun Chujiu suddenly remembered that while training in the Wuwei Tower, the Gigolo had once slapped her little bottom. That pervert would not want to slap her bottom again, right?!

No, I have to think of a way to escape and go to Fifth Sister's place to hide. This stupid mouth, why does it always spew nonsense whenever it sees the Gigolo?!

Di Beiming threw Yun Chujiu onto the bed and propped his hands on the bed. He looked down at Yun Chujiu and said, "Black Thing, how do you think I should punish you?"

"Cough cough! Prince Charming, I was just curious. Aren't you curious too?" Yun Chujiu's eyes had a chaotic look as she thought about the possibility of escaping.

"Humph! I don't have such a perverted hobby as you! Were you going to train or to flirt with that fishy pervert?"

"Prince Charming, I'm innocent, I'm Innocent! It was just a coincidence. I was very obedient the entire time. If you don't believe me, you can ask An Feng. Besides, if I have any evil intentions, why would I tell An Feng about it?" Yun Chujiu said pitifully.

Hearing Yun Chujiu's words, Di Beiming's anger subsided a little. He did not expect Yun Chujiu to continue, "Besides, Big Brother Merman's hair is so long, I couldn't see anything!"

Di Beiming gritted his teeth, "Then what else do you want to see? Doesn't my body look good enough? You want to see someone else's despite already seeing mine?!"

Di Beiming was completely angered by Yun Chujiu. Such unexpected words came out of his mouth, and after he finished speaking, his face immediately turned red!

Yun Chujiu's eyes lit up, "Prince Charming! You're right! No one looks better than you! Take it off and let me appreciate it. I promise I'll only look at you from now on! Take it off quickly! Take it off quickly!"

Di Beiming's face was as red as blood. He was so angry that he gritted his teeth, "Shut up! Write a self-reflection letter! Write it right now!"

Yun Chujiu pouted, "You said it yourself, and you're blaming me?! I'll write one! It's not like I haven't written it before! HMPH!"

Yun Chujiu thought to herself, 'I'll do it as long as the gigolo doesn't spank my little butt! As for writing a self-reflection letter, it was a piece of cake!'

Yun Chujiu sat beside the desk and wrote a self-reflection letter very quickly. She smiled cheekily and handed it to Di Beiming, "Prince Charming, this is a fresh self-reflection letter. Please take a look!"

Di Beiming glared at her and read the letter.

Di Beiming had no more energy to complain about the number on the self-criticism letter. He directly jumped to the main text and saw that it read:

'My most, most, most handsome, most, most beloved Prince Charming:

'In my heart, no man is more handsome than you. No man can replace your position in my heart. Were not for you, I would have died of heartbreak!'

When Di Beiming saw this, the anger in his heart subsided a little. No matter what, although the Black Thing was a little off-key, her feelings for me were genuine. In her heart, no one could compare to him, let alone that fish demon!

However, when Di Beiming saw the rest of the letter, he was so angry that he wanted to slap Yun Chujiu to death!
