

The Yun Family's Ninth Child is an Imp! Chapter 737

Di Beiming saw the following words:

'Prince Charming, although I love you to the bone, I must muster up the courage to point out your shortcomings today. Although I know you will be unhappy, because I care for you, I must speak my heart!

Prince Charming, you are too, too, too, too, too, too, too multiplied by 10000, narrow-minded!

When I asked Brother Merman about reproduction, I was asking from the perspective of humanity and science. Do you have to be so stubborn?!

Besides, you are so stingy. I wanted to see you, but you didn't even let me see you. If you had, would you have lost anything?!

I was just looking, it doesn't change how I feel for you. Why are you so uptight? Besides, it's not like I haven't seen it before.'

When Di Beiming saw this, he didn't want to read the rest of it. He was so angry that he threw Yun Chujiu onto the bed again!

"Black Thing! If it wasn't for the fact that we haven't gotten married yet, do you think I wouldn't let you see it?"

Of course, if you think that you can see it so easily, then I will immediately fulfill your wish."

Di Beiming was already extremely angry at Yun Chujiu. His eyes were filled with anger as he stared at Yun Chujiu.

“Prin-Prince Charming! I... I was just joking! Don’t take it seriously! Getting angry is unhealthy. Calm down, calm down!”

Yun Chujiu was a cowardly person who was full of life, heart, and guts. She was usually very loud, but when she saw that Di Beiming was about to make a move, she immediately became timid.

“You’re joking are you? I’m not! Don’t you want to see? I’ll let you see it all today!” Di Beiming said as he trapped Yun Chujiu on the spot and started to take off his clothes.

Yun Chujiu saw that after Di Beiming took off his clothes, he actually started to take off his underwear too and immediately, she started to howl, “Prince Charming! I was wrong! I was wrong! I was so wrong! I won’t dare to mess around anymore! I’m still young! You can’t do such a perverted thing to me!”

Di Beiming was so angry that he was amused, “A perverted thing? Since you provoked me so much, I’ll be a real perverted beast!”

Yun Chujiu was really scared now. She was so filled with regret that her intestines had turned green. If she knew that the Pretty Boy would be so angry, she wouldn’t have said those words!

She cried and said,

“Prince Charming, being impulsive is not the way! Please calm down! I was wrong! I promise that I will be obedient in the future. Even if there is a man lying in front of me, I will not even look at him!”

She secretly added in her heart. If he did not look at him, he should at least look at her twice or thrice, right?!

Di Beiming only wanted to scare Yun Chujiu. He would not touch her without her consent. If he could not even do that, what sort of man would he be?!

However, Di Beiming felt that he had to teach Yun Chujiu a lesson. Otherwise, if she did as she pleased just because he was not around, wouldn't she be doing that every day?!

Seeing that Di Beiming seemed to be serious, Yun Chujiu was so scared that she started to talk without thinking. "Pretty boy, if you want to do that to me today, I won't forgive you! You unreasonable bastard! You narrow-minded pervert!"

Di Beiming's anger was once again stoked . "Black Thing! Shut up!"

"Shut up?! Why should I shut up?! You pervert! You bastard..."

Yun Chujiu's words stopped abruptly...
