

The Yun Family's Ninth Child is an Imp! Chapter 738

Yun Chujiu was in a daze. She did not even know that Di Beiming had released her.

A thought flashed through Di Beiming's mind. Indeed, this was the best way to stop the Black Thing from spouting nonsense. He would have to use it more in the future. He had finally unlocked the ultimate skill.

Di Beiming pretended to be serious and said, "Black Thing, I'm warning you for the last time. If you mess around again... HMPH!"

Yun Chujiu nodded in a daze and rolled to the side of the bed. She hid under the blanket and decided to be a quiet little quail. It was too embarrassing!

Di Beiming left her as she was. He kept Yun Chujiu's self-reflection letter in his storage ring. Then, he put the Illuminating Pearl on the table into his storage ring and lay outside the bed.

Yun Chujiu hid for a long time. When she saw that Di Beiming had not said anything, she poked her head out from under the covers.

She touched her blushed face and cursed in her heart. Wasn't it too much to ask for a kiss just because of a disagreement?!

She immediately despised herself for being so weak! It's just a kiss?! It was not like she had never kissed before!

'The Gigolo was clearly trying to scare me just now, but I actually fell for it, it's too embarrassing!'

'Idiot! Such a good opportunity was wasted! I'm a pig! How did I become an idiot in front of the Gigolo?! Could it be that the saying that one becomes dumb when they fall in love was true!? My IQ has become a negative number!'

The more Yun Chujiu thought about it, the more unbelievable it sounded. The more she thought about it, the more regretful she became. For now, she did not have the guts to do anything.

She sighed in her heart, but she quickly adjusted her state of mind. There was still a long time to go. She would find an opportunity sooner or later. What was the rush?!

As the saying went, what does not kill you makes you stronger. As long as she persevered, she would succeed.

After consoling herself, she turned around, wanting to see if Di Beiming was asleep. Under the moonlight, Di Beiming was looking at her with a smile that was not a smile. The moonlight made his sharp features look a little more gentle.

Yun Chujiu's heart palpitated. It was like seeing the first flower in spring. Her heart instantly felt warm and bloomed. There was only one person left in her heart...

Di Beiming looked at the adorable Yun Chujiu and laughed softly, "Little fool!"

Yun Chujiu's little heart pounded violently. She cursed in her heart, 'When did the flirting skills of this Gigolo suddenly go off the charts?! I like this Gigolo so much. What's wrong with him?!'

She didn't know how to express her feelings, hence, she hugged Di Beiming like a koala and said, "Prince Charming, you are good-looking and your cultivation level is high. You are good to me, how can there be such an outstanding person like you in this world?! What if I find out that I love you even more?"

Di Beiming felt a warmth in his heart. However, he said calmly, "Okay."

Yun Chujiu...

'What the hell is wrong with you?! You are so good at hiding your feelings! Such skill is rare in this world!'

For a moment, the two of them were silent. They leaned against each other and only had each other in their hearts. Di Beiming felt that this was what the book meant when it said that time was peaceful, right?! He hoped that time would stop at this moment...

Di Beiming was immersed in the peace when he heard Yun Chujiu say something dirty. The pink bubbles in Di Beiming's head instantly disappeared...
