

The Yun Family's Ninth Child is an Imp! Chapter 739

Yun Chujiu suddenly remembered something. "Prince Charming, have you kept the Illuminating Pearl on the table? Remember to return it to me tomorrow!"

Di Beiming snorted coldly. "Black Thing, would I still be after your things?!"

Yun Chujiu thought to herself, 'Not after my things?! You've already taken so many of my Spirit Stones!' However, she did not dare to say it out loud. She laughed dryly and said, "My Prince Charming, I'm just reminding you. I don't have any other intentions."

Di Beiming raised his eyebrows and his eyes flashed. "Didn't the clothes, handkerchief, and boots I gave you last time get destroyed by lightning?! I've found another set for you."

Yun Chujiu's face lit up with joy. She widened her eyes and waited for Di Beiming to bring the items to her. She did not expect Di Beiming to stop talking at this point. Instead, he closed his eyes and looked drowsy.

Yun Chujiu's heart felt like a kitten was scratching it. She shook Di Beiming's arm and asked, "Prince Charming, where are the clothes and boots you mentioned?"

"I'm sleepy. Let's talk about it tomorrow." Di Beiming said calmly.

Yun Chujiu was not willing to give up. She said slyly, "Prince Charming, my dear Prince Charming, give it to me now! Otherwise, I won't be able to sleep."

Di Beiming curled his lips but didn't say anything.

Yun Chujiu knew that Di Beiming was taking revenge on her. She wanted to slap herself. Did you owe me anything?! Why did he mention the Illuminating Pearl?!

She blinked her eyes and said fawningly, "Prince Charming, I was wrong! I shouldn't have treated you so badly. Please forgive me! I promise I won't make the same mistake again in the future!"

Di Beiming snorted coldly and still didn't say anything.

Gigolo! You cold-hearted man!

You only know how to take advantage of me!

If you are already prepared them, why don't you give them to me?

Yun Chujiu rolled her eyes and kissed Di Beiming on the cheek, "Prince Charming, this is my apology gift, please forgive me!"

Di Beiming was silent for a while, then said indifferently, "Not sincere enough."

Yun Chujiu was stunned at first, and then a sentence appeared in her mind!

The Gigolo's a degenerate! The Gigolo's a degenerate! The Gigolo's a degenerate!

However, Di Beiming had underestimated Yun Chujiu's thick skin. She didn't even care about her reputation just to get new equipment! She hugged Di Beiming's face and kissed it, "Prince Charming, is my sincerity enough now?!"

Di Beiming curled his lips and hugged Yun Chujiu. He covered his lips with hers. After a long while, he said hoarsely, "It's never enough!"

Yun Chujiu's face turned red. Damn, it was so embarrassing! She did not care about the equipment anymore. She rolled to the side of the bed, crawled under the blanket, and continued to pretend to be a quail.

Di Beiming was very satisfied. With a move of his spiritual sense, a set of equipment appeared on the bed. "Little Jiu, do you not like this set of clothes? If you don't like it, I'll keep it."

When Yun Chujiu heard Di Beiming's words, she immediately crawled out from under the blanket and grabbed the new equipment. "Who said I didn't like it?!"

She cursed in her heart, 'These were obtained through my "Selling my body". If I don't get it, wouldn't I lose a lot?!'

Yun Chujiu did not care that it was late at night. She could not wait to try it on and twirled around. "Prince Charming, does it look good?"

It was a moon-white dress. It was very fresh and elegant. There were dark patterns of the Pinellia flower embroidered on it. As Yun Chujiu turned it around, it seemed as if it was dancing.

Di Beiming only had one sentence in his mind. She was graceful as a swan and as elegant as a swimming dragon.
