

The Yun Family's Ninth Child is an Imp! Chapter 741

The next day, Yun Chujiu went to Elder Qi and shared her thoughts. The two of them hit it off and immediately reported it to Master Xuanyuan.

Master Xuanyuan interrogated that person, but that person didn't dare to disobey and took out a bottle of pills.

Elder Qi immediately took the bottle of pills and began to study it. Although some of the ingredients could not be identified, it was certain that this kind of pill could indeed allow one's spiritual power to increase rapidly. However, this kind of rapid increase in spiritual power had a very large flaw, which was that if one's foundation was not stable, and it was very easy for one to go mad.

"The poison of those people from the League of Assassins and this pill should be from the same person. Although these pills are evil, I have to say that the person behind them is very proficient in the refining of pills."

"Elder Qi, then can we start with this pill and find out who those people who were bribed are?" Yun Chujiu rolled her eyes and asked.

Elder Qi shook his head, "Outsiders won't be able to see anything wrong with taking this pill. Luck or talent will suddenly increase one's spiritual power."

Hearing Elder Qi's words, Yun Chujiu could only return to the dormitory in disappointment.

Yun Chujiu told Di Beiming what happened, "Prince Charming, now we can only hope that we can use the man who was captured to lure out the real culprit. However, I feel that this pill is too perfect, there should be some sort of trail we can follow to the source."

“Little Jiu, although the Azure Mystic Continent is vast. The people we found connected to the pills so far are all just small fry. Even if you find some traces of the pill, it will be very difficult to pinpoint the source.” Di Beiming said after pondering.

“Humph! Sooner or later, they will give themselves away! My task now is to cultivate hard, and when the time comes, I will catch them all!” Yun Chujiu’s ability to regulate her mood was strong. After being depressed for a while, she was enthusiastic once again.

“The continents have their own rules of Tian Dao. I am not a member of the Azure Mystic Continent, so I can not interfere too much. Otherwise, I would have helped you find out the person pulling the strings.” Di Beiming said with some self-blame.

“Prince Charming, although the Tian Dao is not very reliable, this rule is still reasonable. If you can interfere in the affairs of the Azure Mystic Continent as you wish, wouldn’t that be a mess?!”

Natural selection, the survival of the fittest. The people of the Azure Mystic Continent had followed those tenets. Sooner or later, they would find out the person behind the scenes. “What I can do now is to cultivate well and work hard to become stronger.” Yun Chujiu’s small face was full of determination. After going through several trials, her Dao heart had become stronger, and she had become more tenacious.

Seeing that Yun Chujiu was becoming more sensible, Di Beiming felt very gratified. With Little Jiu’s talent, she would soon reach the peak of the ninth level of the Spirit Emperor Realm. When that time came, she would be able to ascend to the Tianyuan Continent, and they would be able to meet frequently.

Three days later, Di Beiming returned to the Tianyuan continent when he had things to take care of.

Before Di Beiming left, he repeatedly told Yun Chujiu to cultivate properly and not to get into trouble, or else he would not let her off.

Yun Chujiu nodded obediently, "Prince Charming, don't worry! I will behave myself and cultivate conscientiously. I will not attract any unwanted attention."

After Di Beiming left, Yun Chujiu cultivated obediently as she said she would. She continued to refine the lightning energy in her Dantian. She felt that she was about to break through another level again.

At the same time, the leaders of the four great sects set up a trap at a place called the Seven-Star Slope. They asked the captured man to send a message through a voice transmission talisman, stating that the map had been obtained and that they would meet at the Seven-Star Slope in half a month.

Unfortunately, it was unknown whether there was a mole among the four great sects or the other party had gotten wind of it. The four great sects had waited at the Seven-Star Slope for a month and no one had come to meet them.
