

The Yun Family's Ninth Child is an Imp! Chapter 743

The corner of Yun Chujiu's eyes twitched violently. After not seeing him for a few months, Black Chicken Head was still as coquettish as ever!

"Little Sister Jiu, to take revenge on me, that Facial Paralysis gave me a lot of trouble and made it impossible for me to escape. Fortunately, big brother's ability is extraordinary, and I finally took care of everything. As soon as I finished my business, I immediately came to see you." Xue Wuji came to Yun Chujiu's side and said eagerly.

"Brother Wuji, do you want to go to the Ancient Sword Tomb with us?" Yun Chujiu was not stupid. Even if Xue Wuji wanted to see her, he would not have come to the Endless Wilderness just to find her.

"Little Sister Jiu, your words hurt my heart. I came all the way here, and you are so suspicious of my longing for you?" Xue Wuji looked hurt.

Yun Chujiu touched her nose. This Black Chicken was definitely up to something.

"Brother Wuji, I'm sorry! Since I've misunderstood you, I'll give you something to make up for it." Yun Chujiu opened took out a transparent water repellent bead from her storage ring and handed it to Xue Wuji.

"Yo! This is a pure water repellent bead! Little Sister Jiu, where did you get it?" Xue Wuji asked excitedly. He was not excited because of how valuable the water repellent bead was, but because Yun Chujiu thought so highly of him.

"I got it by chance, just keep it well. Brother Wuji, let's talk as we walk. Elder Qu and the others are a little anxious from waiting."

"Okay! Brother will accompany you to that Ancient Sword Tomb to see what the fuss is about! I can also protect you well." Xue Wuji's narrow eyes flashed with a faint light.

Yun Chujiu cursed in her heart, saying that he did not have other motives?! Could it be that this Black Chicken brain also wanted to obtain an immortal weapon? However, although immortal weapons were rare, it shouldn't be a big deal to him. Why would he want to go to the Ancient Sword Tomb anyway?

After Yun Chujiu and Xue Wuji returned to the team, the people of the Spirit Flower sect began to enter the Endless Wilderness.

Secret Agent Huahua could not bear to look at her young master's fawning look. She originally thought that she had already let it go after not coming to the Azure Mystic Continent for a few months. She did not expect that she would still look like a useless person the moment she saw Yun Chujiu.

Secret Protector Hua Hua consciously got together with An Feng. The two of them could be considered old acquaintances. After greeting each other, she followed behind Yun Chujiu and Xue Wuji.

"Little Sister Jiu, when I saw your wretched appearance, I gave Di Beiming a good beating! I also threatened him. If he dares to marry someone else, I will strangle him to death! Aren't I worthy of your attention now?!" Xue Wuji obsequiously claimed credit.

"Thank you, Big Brother Wuji! I will give you a fruit to eat!" Yun Chujiu handed a spiritual fruit to Xue Wuji with a smile.

Xue Wuji took the fruit with a smile on his face. 'Little Sister Jiu is so good to me!'

"Little Sister Jiu, I heard that Di Beiming's mother has seen you? She didn't make things difficult for you, did she?" Xue Wuji didn't want to eat it but put the spiritual fruit into his storage ring.

"It's alright! She even gave me a cashmere blanket!" Yun Chujiu felt that she couldn't expose her family's dirty laundry, so she made light of things.

Xue Wuji's eyes flickered, "Little Sister Jiu, are you lying to me? Di Beiming's mother has helped Di Beiming find many potential girls. You appeared in his life from out of nowhere, and you're from the Azure Mystic Continent. How can she not have any complaints about that?"

Yun Chujiu was about to speak when she heard someone behind her laugh coldly. "Xue Wuji, do you think that I am too kind to you? Do you still want to work for a few more months?"
