

## The Yun Family's Ninth Child is an Imp! Chapter 748

As the grassy area that they could rest on was very small, Elder Xiao asked everyone to split up slightly across the swamp to avoid unnecessary trouble due to overcrowding.

Yun Chujiu was very confident in her heart. No matter how big the trouble was, it would not be dangerous for her as long as she had the gigolo and that black chicken head by her side. Therefore, this fellow completely treated crossing the swamp—a dangerous endeavour—as a hopscotch game, jumping around happily.

Just as this fellow was feeling happy, she heard a miserable cry coming from the front. She saw a disciple being dragged into the swamp by a huge Swamp Crocodile. The elders beside him did not have time to save him at all. By the time they reacted, that disciple had already disappeared.

Everyone had not realized the dangers of the swamp at first. When they saw this scene, they could not help but feel a little nervous, and became even more cautious.

As the swamp went deeper, more and more swamp demon beasts began to appear and attack the people of the Spirit Radiance Sect.

The elders with high spiritual power were better off. Besides having spiritual power to protect their bodies, they could also divert their energy to attack those demon beasts. However, the disciples with lower spiritual power were in a bit of a mess, and the screams of the disciples could be heard from time to time.

Yun Chujiu could not help but sigh. The path of cultivation was full of dangers. In order to find opportunities, she could only put herself in danger.

Just as she was sighing, a Swamp Crocodile suddenly jumped up from the swamp and onto the grassland where she was. It opened its bloody mouth and bit at her calf.

“It actually dares to bite me?! Little Jiu Thunderbolt!” Yun Chujiu dodged while waving her right hand. A bolt of lightning went straight for the Swamp Crocodile’s head.

As expected, the Swamp Crocodile was somewhat dumbfounded! ‘Heavenly purple lightning? How can a human use purple heavenly lightning?’

The Swamp Crocodile was stunned and did not dodge the heavenly lightning in time. Although it managed to avoid getting stuck on its head, its back was struck by the heavenly lightning.

The Swamp Crocodile roared angrily out of embarrassment. Xue Wuji shouted from behind, “Little Sister Jiu, be careful! Another one climbed up from that side!”

Yun Chujiu turned her head and sure enough, another Swamp Crocodile climbed up from the other side of the grassland. Two Swamp Crocodiles surrounded Yun Chujiu in the middle.

Xue Wuji saw this and wanted to jump over to help. Di Beiming glared at him, “Little Sister Jiu wants to gain experience. Don’t cause trouble.”

“Di Beiming, are you out of your mind?! The Swamp Crocodile is a Tier Nine demonic beast, and there are two of them. Little Sister Jiu can’t deal with it at all. Are we just going to sit back and watch Little Sister Jiu be in danger?” Xue Wuji said angrily.

“How do you know that Little Sister Jiu can’t handle them? Even if there is danger, I don’t need you. I will protect my own woman.” Di Beiming said coldly.

“Pfft! What do you mean by your woman? You haven’t married her yet. Little Sister Jiu might not even be anyone’s wife.”

“Xue Wuji, do you still want to be busy for half a year?”

“HMPH! If anything happens to Little Sister Jiu, I won’t let you off!” Xue Wuji said with a fierce look but a weak heart. ‘Damn it! This half a year almost made me vomit blood. Damn facial paralysis. Sooner or later, I’ll show you how powerful I am.’

Xue Wuji looked at Yun Chujiu in embarrassment. He saw Yun Chujiu moving around and continuously striking at the two Swamp Crocodiles with lightning. The Swamp Crocodiles’ skin and flesh were very tough. Although the lightning struck them, it would cause them pain for a while but not any fatal damage.

The two Swamp Crocodiles were very agitated. They thought that they could easily swallow this little girl. They did not expect that they could not hurt her after such a long time. It was really detestable.

Yun Chujiu saw that the two Swamp Crocodiles were becoming more and more agitated. Their bodies had already climbed onto the grass. Her eyes deepened. It was almost time to play. It was time for GAMEOVER!
