

The Yun Family's Ninth Child is an Imp! Chapter 758

Yun Chujiu was dumbfounded. What was going on? She only asked one question, and the remnant soul was already dead? Was that not mysterious?

Di Beiming and the other three were also confused. What was going on? This ancient remnant soul should be very powerful. Why did it suddenly disappear?

Just as they were puzzled, the remnant soul condensed into a figure again, but it was much lighter than before, he smiled bitterly and said, "We were actually bound and can't tell you what happened back then. Just now, I was punished just because I wanted to tell you."

Yun Chujiu blinked her eyes and then began to howl, "Sob sob! You're so pitiful! People always say that they want to die, but you can't even die. Heavens, that old bastard, is really too much!"

The burly man was dumbfounded!

"Little girl, you, how can you scold the heavens? Aren't you afraid of being punished by the Heavens?" He came back to his senses and said in fear.

Yun Chujiu touched her tears with her sleeve, "The Heavens is being unfair, why can't I scold it? It has long disliked me. If I wasn't lucky, I would've been struck to ashes by that old bastard!"

The big man asked puzzledly, "You? Why does the Heavens want to kill you?"

Yun Chujiu waved her right hand, and a purple heavenly lightning struck a stone beside her. The stone was instantly split into two halves.

"Y-y-you actually have the Heavenly Lightning Root Spirit?! No wonder the Heavens doesn't tolerate you! I didn't expect that you, this little girl, would be so lucky to be alive and kicking." The big man was

extremely surprised. A Heavenly Root Spirit had never been tolerated by the Heavens. This little girl was really lucky.

“Humph! That old b*stard must have felt that our Heavenly Root Spirit would be a threat to it if it became refined. That’s why it wants to strangle us while we’re in the cradle. It’s really petty and jealous of talents!” Yun Chujiu curled her lips and said.

The burly man laughed bitterly. Even though he felt that what Yun Chujiu said was not unreasonable, he did not dare to say anything wrong about the Heavens. Just a moment ago, he just wanted to say what happened back then and his soul was almost scattered.

Yun Chujiu suddenly smiled and clapped her hands. She waved at the burly man and said, “Let’s talk in private. I want to tell you something awesome. We can’t let other people and souls hear it.”

If someone else had said that to the burly man, the burly man would have slapped him to death. However, because Yun Chujiu had a Heavenly Thunder Root Spirit and was not killed by the Heavens, he was a little curious. He followed Yun Chujiu to a corner and asked, “Little girl, what good news do you want to tell me?”

“You said that you’d be struck to death by lightning if you went outside. If you hid somewhere, would the Heavens still be able to strike you?” Yun Chujiu asked mysteriously.

The burly man was stunned. Obviously, he did not expect Yun Chujiu to talk about this matter. He smiled bitterly and said, “Little girl, thank you for your kindness! However, this is basically impossible. First, we’re only remnant souls and can not stay outside for too long. We must enter the green jade tools that only existed in ancient times to be nourished. Otherwise, we will gradually disappear from the world. Second, do you think that the Heavens is so easily deceived? Those who have the soul nurturing tools would also be punished by the Heavens. Who would take such a great risk to bring us along? Unless he doesn’t want to live anymore!”

Yun Chujiu cheered in her heart. ‘The person who didn’t want to live is me. It’s me! It’s me! Quickly come into my bowl!’
