

The Yun Family's Ninth Child is an Imp! Chapter 76

When everyone heard Yun Xiaobo's words, they all had worried looks on their faces. That's right, the drifting cloud sect was a giant that the Yun family could not afford to offend. What should they do?

When Yun Xiaobo saw everyone's expressions, he could not help but feel proud in his heart. "Big Brother, you've been protecting Yun Chujiu for so many years, and we haven't said anything. But today's matter concerns the survival of the Yun family. You can't be soft-hearted anymore! You must drive Yun Chujiu out of the Yun family!"

"Second Brother, if I don't agree to hand over Little Jiu, what do you plan to do?" Yun Xiaotian snorted coldly.

Yun Xiaobo couldn't help but feel a little guilty. He gritted his teeth and said with a stern expression, "Big Brother, this concerns the survival of the Yun family. If you insist on doing it, then we will re-elect the family head!"

Yun Xiaotian looked deeply at Yun Xiaobo. "Third Brother, Fourth Brother, Fifth Brother, what do you say?"

Third Elder Yun Xiaohui was a tactful and worldly person. He laughed and said, "I don't have any objections. Whatever you decide, I will follow!"

Fourth Elder Yun Xiaohai was a straightforward person. "This is indeed an undeserved disaster. It can't be blamed on Little Jiu. The Bai family has always been eyeing us covetously. Even if there is no such thing, it's only a matter of time before they launch an attack!"

"Fifth Brother, what about you?" Yun Xiaotian nodded slightly and looked at fifth elder Yun Xiaowen.

“Now that things have come to this, the key to solving the problem is not to do anything to Little Jiu, but how to deal with that Elder Su? Using our own children to block trouble is not the style of Yun family!” Fifth Elder Yun Xiaowen had always looked down on the devious Yun Xiaobo.

“Good! Good! All of you are strong-willed! I’ll see if you regret when the Yun family is destroyed! Separate! I want to separate! Our second branch wants to leave the Yun family, and we won’t be buried with Yun Chujiu!” Yun Xiaobo’s old face was red, the veins on his forehead were bulging.

Yun Xiaotian’s face was very ugly. Although he hated what Yun Xiaobo had done, separation was absolutely not allowed. If they divided the foundation of their ancestors, how could they face their ancestors? !

Just when the atmosphere was extremely tense, Yun Chujiu raised her small hands and said weakly, “Um, can I say something?”

Yun Xiaobo snorted coldly, “HMPH! It’s all because of you! What else do you have to say? !”

“I really have nothing to say. It’s just that that Elder Su has already left. She said that she won’t interfere in our Yun family and Bai family’s matters in the future! “Oh, right, that Elder Su kicked Bai Morou until she vomited blood before she left!” Yun Chujiu said slowly.

Everyone fell into a strange silence. Then, Yun Xiaobo cried out in shock, “Impossible! How could Elder Su leave for no reason? How could she kick Bai Morou?”

Yun Chujiu spread out her hands, “I had no choice. I met my master on the way. My master only said one sentence, and Elder Su was so scared that she ran away!”

“Your master?” Yun Xiaobo’s voice suddenly became sharp. “You’re a trash, where did you get a Master? !”

“Second Elder, I’m telling the truth! If you don’t believe me, then forget it. You can go and ask around. was Bai Morou kicked until she vomited blood? ! Oh right, my master even caught a bird for me to play with! ” Yun Chujiu lifted the short wings of the little black bird, she said smugly.

Yun Xiaobo’s expression changed several times. He didn’t know whether what Yun Chujiu said was true or not. However, this bastard had returned on his own. Perhaps what she said was true. It was better to send someone to ask around.

“HMPH! What nonsense. This old man will go and verify it. What’s there to show off about an unlucky Fire-Breathing Crow? ! You’re really ignorant. Let’s go. ”

“Wa-wa, WA-WA... ” Little Black scolded angrily. You are the unlucky one! Your whole family is unlucky! If you fall while walking, you will die!

Yun Xiaobo, who was walking out, stumbled and fell. His chin hit the bluestone.

Yun Xiaobo opened his mouth, and with a smack, his two front teeth retired.

Yun Xiaobo was so angry that he wanted to vomit blood! He was helped up by Yun Changsheng and left while cursing.

Little Black opened his eyes wide and covered his mouth with his two small wings. “Black girl, it’s not me, it’s really not me! I’m just learning crow’s call, I’m really not a crow’s mouth! “
