

The Yun Family's Ninth Child is an Imp! Chapter 774

At that moment, the heavenly lightning was completely enraged by Yun Chujiu and had completely lost its rationality.

This wretched girl was already at the end of her tether. As long as they put in more effort, she would definitely die. They could not let go of such a good opportunity to strike her! Strike her! Strike her to death!

Seeing the heavenly lightning strike down, Yun Chujiu felt extremely comfortable in her heart. Strike, strike! Strike as hard as possible.

The onlookers were a little conflicted. On one hand, they wanted the heavenly lightning to strike harder so that the formation would stop functioning as soon as possible so that they could escape. On the other hand, they were afraid that if the heavenly lightning struck too hard, it would kill Yun Chujiu.

After this incident, the majority of the people had changed their views toward Yun Chujiu. Even the people from the Heavenly Gates Sect chose to forget about their bad blood.

Previously, Yun Chujiu had tricked them because they had their own masters. They were standing on the side of their respective sects, and there was no personal grudge between them. This little girl was smart and kind. She looked very pleasing to the eye! Why did they hate her so much in the past? They must have been blind at that time!

Boom! Boom!

At first, the thunder was very dense. Later on, it became more sparse. Yun Chujiu's heart was delighted. This meant that the supply of spiritual energy to the array formation was not bountiful anymore. She had to work harder and get these stupid thunder to deplete the spiritual energy.

Yun Chujiu fell to the ground with a thud. "Ah! I Can't take it anymore! I'm going to die!"

The crowd of “actors” came one after another. “Little Jiu Girl, you can’t be angry with your life! Just admit defeat! As long as you say something nice, these heavenly thunderbolts won’t strike you anymore.”

“Yeah! Little Jiu, just admit defeat! We won’t laugh at you.”

“Little Jiu, your scolding of the heavenly lightning isn’t right to begin with. The heavenly lightning is supreme. How can you scold it just like that?!”

Among them, Xue Wuji’s howls were the loudest. “Little Sister Jiu! My Little Sister Jiu! You can’t die! Just admit defeat quickly! No matter how powerful you are, you won’t be able to fight against these heavenly lightning! You only have one life. You must cherish it! Apologize immediately and just say that what you said just now about it being a wild heavenly lightning and stupid lightning, and so on are all nonsense. Hurry up!”

Yun Chujiu smiled proudly and staggered to her feet. She pointed at the Lightning in the sky and cursed, “Pfft! You’re all bastards! Unless you kill me, I will curse you for the rest of my life! You bastard stupid lightning! stupid and weak! You can’t kill me at all!”

The lightning was enraged again! They did not have the time to think about the consequences. They only had one thought, and that was to kill this stupid girl! They had to kill her!

Boom! Boom! Boom!

The lightning gathered again and kept striking at Yun Chujiu.

Yun Chujiu smiled like a little fox. According to this situation, in less than 15 minutes, their spiritual power would be exhausted. How could she be so smart?! She had to admire herself!

After 15 minutes, the sound of thunder became sparse. In the end, there was no movement at all. No matter how Yun Chujiu scolded, no heavenly thunder appeared.

Everyone was about to cheer, but Yun Chujiu made a gesture to them to keep quiet. "Don't be happy for now, lest those heavenly thunder tricks us. Now, everyone aim at one place and start the spiritual power attack. See if you can open a gap."

Everyone was now completely obedient to Yun Chujiu. They immediately chose a barrier and attacked it with all their strength..
