

The Yun Family's Ninth Child is an Imp! Chapter 775

When Di Beiming's Ice Dragon pounced toward the barrier, everyone was stunned. Although they knew that this young man's spiritual power was unfathomable, they did not expect it to be so powerful.

Oh my God! He actually had an Ice Root Spirit! Moreover, his spiritual power could actually transform into such a huge Ice Dragon. It could be seen how terrifying his spiritual power was!

Xue Wuji saw everyone's reaction and curled his lips. He raised his hand and a huge skull flew toward the barrier.

Everyone was shocked again!

Wind Root Spirit! This Yun Chuling actually had a Wind Root Spirit!

Although the skull that he transformed into was a little terrifying, its power was not inferior to Young Master Di's Ice Dragon.

Some of the people from the Heavenly Gates Sect broke out in cold sweat. Among them were people who had once gone after Yun Chujiu. At that moment, they were filled with regret!

After the incident last time, although Yun Chujiu did not settle scores with them, it did not mean that she would not do so in the future. Putting everything aside, just these two young men could easily take their lives.

At that moment, they hated Du Guyi. If he did not ask them to assassinate Yun Chujiu, why would they do such a stupid thing?!

There was also Su Yanran, who urged Du Guyi to find trouble with Yun Chujiu for no reason. This pair of master and disciple were not good people!

When everyone saw that Di Beiming and Xue Wuji's spiritual power was so strong, they became even more confident in breaking the barrier. One after another, they attacked the same place.

As everyone attacked, the barrier trembled continuously. Everyone was overjoyed. Previously, when they attacked, the barrier did not have such a big reaction. This meant that the supply of spiritual power to the barrier was indeed insufficient.

Everyone's spirits were greatly boosted. They all attacked the barrier with all their might as if they were on steroids.

Four hours later, cracks started to appear on the barrier. Although it was only about an inch, everyone was ecstatic—even though the barrier had not been broken yet, it was only a matter of time. As long as they continued to attack it, the barrier would definitely break.

Four hours later, the entire barrier began to be filled with cracks. Four hours later, the barrier completely disappeared, and a breeze blew in from outside.

Everyone was so excited that they cried and shouted, "We did it! We did it!"

"We can finally get out! Haha! There will definitely be good fortune after surviving a great disaster. We actually broke the ancient formation!"

"This is all thanks to Yun Chujiu! In the future, Yun Chujiu will be the benefactor of our Skyblade Sect. In the future, if anyone dares to touch her, we will not let them off!"

"That's right! If anyone dares to touch that little girl, our Bixiao Palace will never agree to it!"

"And our Seven-Star Sword Sect!"

“Flying Tiger Villa!”

“Star Moon Palace”

..

The people from the Heavenly Gates Sect wanted to shout as well, but when they thought of their own sect leader, they could only keep quiet. However, they made up their minds in their hearts. In any case, they would definitely not make things difficult for Yun Chujiu in the future.

Yun Chujiu felt that this kind of overwhelming worship and gratitude was simply too great, right?! This fellow felt that she was too short and did not have any imposing manner. Thus, she stood on a big rock. Her small waist was straight, and her hands were behind her back. She said pretentiously, “Everyone, there’s no need to be like this! I only did my part. This is all thanks to everyone.”

Di Beiming stood at the side and looked at Yun Chujiu’s pretentious modesty. He could not help but laugh. He looked at her adorable mischief and his heart felt weak. He wished that he could hug her in his arms and get closer to her.

At that moment, something strange happened. Everyone was actually thrown out by a huge force. The moment Di Beiming was thrown out, he saw Yun Chujiu fall into a bottomless pit...
