

## The Yun Family's Ninth Child is an Imp! Chapter 791

The huge eyes of the Giant Tsunami Turtle rolled around and it stared at Yun Chujiu for a while. Seeing her calm expression, it relented and finally nodded its huge head.

Yun Chujiu looked calm on the surface, but in her heart, she was extremely smug, 'Little Fellow, so what if you are a level 13 Demon Beast?! You aren't willing to be stepped on?! HMPH! Not only do I want to step on you, but also jump on your back!'

She followed the neck of the Giant Tsunami Turtle and jumped onto the huge turtle's back. As far as the eye could see, the sea and sky were the same color. It seemed to be no different from an ordinary sea.

Yun Chujiu looked around for a long time and did not find any useful clues. However, she realized that the back of this big bastard was much better than the simple wooden raft she made! It was spacious and flat. The most important thing was that it was far away from the surface of the sea. There was no moisture and she could still bask in the sun!

She was bold. She simply laid down on it and took a sweet nap.

The Giant Tsunami Turtle didn't see Yun Chujiu come down for some time. However, the turtle-type demon beasts were slow-witted, so it did not urge her to hurry. After a while, it also closed his eyes and fell asleep.

Yun Chujiu had a good sleep. When she opened her eyes, it was already evening. The sun was setting, and under the setting sun, the seawater was dyed with a beautiful red color. It was a beautiful scene that she had never seen before.

Yun Chujiu held her chin, her eyes were turning red. "Such a beautiful scene, it would be great if I could see it together with the gigolo! I haven't seen the gigolo for more than two months. I don't know where he was sent to, and I don't know if he misses me."

Yun Chujiu's eyes suddenly lit up. Although I can't see the gigolo, I can draw it and show it to him when I see him. Therefore, she took out a self-made drawing board from her storage ring and drew the beautiful scene in front of her one stroke at a time.

Little Black Bird was speechless. At this time, my master still had the mood to draw. She is too carefree!

An hour later, Yun Chujiu stopped drawing and looked at her handiwork with satisfaction. "Tsk tsk, life is unfair to others. Not only am I beautiful, but I'm also so good at painting. I'm almost falling in love with myself."

Little Black Bird was speechless! There was no one else who was this narcissistic!

Yun Chujiu felt that the drawing was a little awkward. What was wrong with it? Yun Chujiu looked at the beautiful scenery in front of her and then looked at her own painting. That's right, it was exactly the same. Why did she feel that it was a little weird?

The sky to the West was the setting sun, and to the East was me and the big b\*stard. There was nothing wrong with it!

Yun Chujiu suddenly stood up!

I know what's wrong!

As the saying goes, the spring water of a river flows to the East. The seawater should flow to the East, but the direction of the waves was towards the West. What did this mean?

'Calm down, calm down. I'm about to find the crux of the problem.'

Yun Chujiu forced herself to calm down, but she was like a person who was about to die of thirst. How could she calm down when she almost saw a way out? She was so excited that she trembled slightly.

Just when Yun Chujiu was so excited that she could not control herself, the Giant Tsunami Turtle noticed that Yun Chujiu was jumping on its back. In a fit of anger, it dived into the bottom of the sea.

Plop! Yun Chujiu fell into the water!

The turtle thought Yun Chujiu was mocking it but It was good that she fell into the water. It helped her calm down and steady her thoughts.

The Giant Tsunami Turtle floated up from the sea and stared at Yun Chujiu fiercely with its huge eyes, Yun Chujiu giggled. "Master Godly Turtle, don't be angry! I seem to have found some clues. Let me slowly organize my thoughts. I will tell you when I have figured it out."
