

The Yun Family's Ninth Child is an Imp! Chapter 798

Yun Chujiu was awakened by the cry of the Flaming Three Tailed Fox king. She saw it pointing its claws to the front in fear.

Yun Chujiu looked in the direction it was pointing at and could not help but feel her scalp go numb. Hundreds of giant crabs were quickly crawling toward the island from the sea.

The pincers of these crabs were more than three feet long, were as thick as an adult's thigh and emitted a faint blue light—it was a terrifying sight.

Azure Giant Pincer Crab! Tier Eight sea creature!

Yun Chujiu's head buzzed. She could still deal with twenty to thirty of them, but there were hundreds of them. Even if she released Big Bastard, they might not be able to escape unscathed. Moreover, it did not have the advantage on land.

The Azure Giant Pincer Crab had already noticed Yun Chujiu. They waved their pincers and aggressively crawled toward her..

After weighing the pros and Cons, Yun Chujiu put the Flaming Three Tailed Fox king into her spirit beast pouch and ran toward the dense forest.

The Azure Giant Pincer Crab followed closely behind. Yun Chujiu slowly climbed up a thick tree. After climbing up, she realized that it was a kind of coconut-like tree. There were already many fruits on it.

Yun Chujiu immediately understood why these Azure Giant Pincer Crab would climb up this small island at night. They were here to eat these coconut fruits.

When the Azure Giant Pincer Crab saw Yun Chujiu climb up the coconut tree, a few of them also quickly climbed up the tree. Yun Chujiu quickly waved her hand and purple lightning struck at the Azure Giant Pincer Crab.

The few Azure Giant Pincer Crab were caught off guard and were struck by the lightning, falling with a plop.

Before Yun Chujiu could let out a sigh of relief, she saw more Azure Giant Pincer Crab climbing up the tree where she was. Yun Chujiu could not help but curse in her heart. Damn it, these Azure Giant Pincer Crab were indeed very fierce. They dared to approach even after seeing their companions being struck by lightning.

Although Yun Chujiu knocked a few of them off the tree, there was still a steady stream climbing up the tree. It was as if they would not stop until they ate Yun Chujiu.

Fortunately, these blue giant crab pincers were unwilling to topple the coconut tree. Otherwise, Yun Chujiu's situation would be even worse.

Yun Chujiu rolled her eyes and used sticky silk to wrap around the trunk of another coconut tree. Then, she swung over to it. Just as Yun Chujiu heaved a sigh of relief, the other blue giant crab pincers on the ground climbed up the coconut tree where she was.

Yun Chujiu had no choice but to choose another coconut tree and swing over.

After repeating this over and over again, every tree that Yun Chujiu went to would be followed by several Azure Giant Pincer Crab.

Yun Chujiu felt that this was not the way to go on. It was still early in the morning so she had to think of a way.

Clang!

Just as Yun Chujiu was frowning, a mature coconut fell by her on the ground. A few Azure Giant Pincer Crab immediately surrounded her and fought for food.

Yun Chujiu's eyes suddenly lit up. The scene in front of her was very similar to the scene in the desert of the Great Void Mystic Realm. At that time, she used cactus fruits instead. She could try that!

Yun Chujiu swung onto a new coconut tree again and picked a ripe coconut. She used a large kitchen knife to cut a hole and stuffed a cactus fruit into it. Then, she threw it into the middle of a group of Azure Giant Pincer Crabs.

Sure enough, the Azure Giant Pincer Crab once again snatched the coconut. They were completely unaware of the cactus fruit mixed in it.

Not long after, the Azure Giant Pincer Crab seemed to have gone crazy and began to attack their companions with their pincers.

Yun Chujiu could not help but be secretly happy. 'Little Fellow, you want to eat me? I'll make you kill each other!'
