

The Yun Family's Ninth Child is an Imp! Chapter 800

Yun Chujiu heaved a sigh of relief when she saw the Azure Giant Pincer Crabs crawling back into the sea. She climbed down from the tree and sat on the beach, panting heavily.

After resting for a while, Yun Chujiu rubbed her chin and pondered about her next step.

She could not stay on this small island any longer. Those Azure Giant Pincer Crabs would definitely come back to take revenge tonight. There might even be more of them coming to take revenge together. After all, this small island was akin to their orchard. They would definitely kill her before giving up.

Should she continue to drift on the sea?! It was still alright during the day, but at night, it would be a disaster. Although she had the water repellent bead, how could she be a match for those aquatic beasts?!

Yun Chujiu thought about it. The only good way now was to release Big Bastard and let it protect her. The Big Bastard was a Tier 13 sea creature. The other sea creatures would definitely not dare to provoke it.

However, the problem now was, how could she get it to escort her willingly? The Big Bastard was very proud. Not to mention escorting her, if she let it out, it might turn hostile and eat her.

Initially, she used food to curry its favor, but it did not lack food now, so the food strategy was obviously useless. What if she tricked it?

Yun Chujiu did not have the idea of taking the Giant Tsunami Turtle as her spiritual pet. Firstly, although it was powerful, it was not an immortal beast, so Yun Chujiu did not care too much for it. Secondly, the Giant Tsunami Turtle was so powerful that she could not tame it.

Yun Chujiu thought for a while, then walked to the sea and released the Giant Tsunami Turtle.

The Giant Tsunami Turtle was regretful a long time ago. It thought that Yun Chujiu would definitely find a chance to kill it, but it was trapped in the Spirit Beast Pouch and could not do anything. Who would have thought that it would be released?

“Master godly turtle, we have escaped. You can leave now!” Yun Chujiu said with a smile.

The turtle was a little confused. That simple? It was being let go just like that?

If it had not seen Yun Chujiu attack the barrier with her flying sword, it might have swallowed Yun Chujiu in one gulp. After all, this little girl had seen its embarrassing side. It was really embarrassing! Now, it was afraid of Yun Chujiu and did not dare to think of making an enemy of her.

The Giant Tsunami Turtle nodded at Yun Chujiu and turned to leave.

Yun Chujiu was so smart! Before, she did not pay much attention to the changes of the Giant Tsunami Turtle’s behaviour. Now that she saw the Giant Tsunami Turtle being so obedient, she understood a little and immediately knew what to do next.

Yun Chujiu sighed faintly and said, “Sigh! Sea creatures are better. They can move freely in the sea. Unlike me, I can only be trapped on this small island! At night, a group of big crabs want to eat me. My life is so bitter!”

“I’m too kind. I could’ve escaped the enchantment alone, but I still... Sigh, best not to talk about it. Not every turtle knows how to repay kindness.”

“Last night, I was afraid that those big crabs would hurt a certain turtle. I fought alone for the whole night. Who would’ve thought that at dawn, the turtle would go off to enjoy itself. How sad!”

...

The Giant Tsunami Turtle was not stupid. It was stunned for a moment before it understood what Yun Chujiu meant. It hesitated. It was not a kind-hearted creature. Although the little girl had indirectly saved it, it was already grateful that it did not eat her. Was it going to escort her to the shore? It was not worth it.

Yun Chujiu saw that the Giant Tsunami Turtle did not leave immediately. Her heart was filled with joy. There was a possibility!
