

The Yun Family's Ninth Child is an Imp! Chapter 81

Yun Chujiu stared at An Feng for a while. Seeing that there was nothing unusual about An Feng, she changed the topic, "I'll go get breakfast. You guys guard the courtyard. "

"Miss Jiu, don't worry!" An Feng secretly let out a sigh of relief. This black girl's aura was so scary. Fortunately, I had already made up an excuse.

Yun Chujiu hopped out of the courtyard and came back with breakfast.

As soon as the breakfast was set, Little Black flew onto the stone table.

"It smells so good! It smells so good! This young master has been hungry for a long time!" Little Black had already broken the jar. Anyway, these two guards were also people of Sha Xing. Sooner or later, they would have to know the identity of this young master.

An Feng and An Yin were shocked. "You can talk? "

Little Black proudly raised his neck. "TSK! This young master knows a lot! What is this?!"

An Feng looked at Little Black and smiled contemptuously. "You? You probably can't even defeat an adult Fire-Breathing Crow, right? Only Miss Jiu is kind enough to take you in. Otherwise, who would want you?!"

Little Black rolled his bean-like eyes, but he did not choke. Instead, he turned his anger into appetite and buried his head in his food.

Yun Chujiu could not help but feel surprised. Why did Little Black change his character? It was really strange!

The three people and a bird swept up remnant cloud and finished their breakfast. An Feng let out a burp and suddenly spat out a purple fireball at An Feng!

An Feng was not on guard, but his cultivation was high after all. He jumped up and dodged Little Black's fireball.

"You black-hearted person! How dare you scold this young master? I'll burn you to death!" Little Black spat out a fireball as he cursed.

An Feng cried out in shock, "Purple Fireball? Heavens, Miss Jiu, you've picked up a treasure!"

When Yun Chujiu heard the words 'picked up a treasure', she immediately perked up and hurriedly stopped the little black bird, "An Feng, what do you mean?"

"Miss Jiu, ordinary spirit beasts can only use their innate abilities after they are at least one-year-old. Little Black has only broken through the shell for a day and you can already use magic. It's obviously unusual! Besides, what it spat out was a Purple Fireball. Do you know what this means?"

Yun Chujiu's eyes were sparkling. "What does it mean?"

"This means that the fireball it spat out contains the power of lightning! Both demonic beasts and spiritual beasts are born with a fear of the power of lightning. Therefore, in future battles, your spiritual pet can fight above its level. Moreover, as its level increases, its advantage will become more and more obvious."

Although Yun Chujiu's heart was bubbling with joy, she said, "Ah, I thought it was something amazing. Isn't it just the power of lightning? I also have it. What's the big deal? It's really strange!"

An Feng touched his nose. Well, this guy in front of him was also a weirdo. He couldn't even be killed by lightning. This man and bird were really a perfect match!

Little Black flew to the tree branch and said proudly, "HMPH! Now you know how powerful I am, right? If you provoke me again, I will burn you to death!"

An Feng was about to say something when a cold snort came from inside the house, "Noisy!"

Little Black was so scared that he almost fell from the tree. It's over, it's over, the jinx is going to get angry!

Immediately, the three of them and the bird didn't dare to make a sound. Yun Chujiu secretly thought, 'F* ck, this gigolo is really awesome! When can I be so imposing?! Thinking back, he was also a fair, rich, and beautiful woman who could call the wind and summon the rain. How did he end up being an idiot who relied on flattery to survive?!

No Way! She wanted to become stronger! Regardless of whether it was to protect the Yun family or for herself, she had to become stronger!

Yun Chujiu secretly touched the plate that Elder Sun gave her, the Spirit Radiance Sect? Yes, Spirit Radiance Sect. No matter what, she had to enter Spirit Radiance Sect to cultivate.

Even in his dreams, Di Beiming would never have thought that Yun Chujiu would make such a big decision just by saying the word 'noisy'. By the time he found out, Yun Chujiu had already run away!
