

The Yun Family's Ninth Child is an Imp! Chapter 838

Yu Hai let out a long sigh of relief after he recovered from the initial shock. Damn, it was not so bad that the sect master was a woman. At least he did not have to worry that she was aligned sideways. He had been scared to death these past few days!

After Yu Hai saw Xue Wuji's appearance, he no longer had the slightest bit of worry from before. Regardless of whether the sect master was a man or a woman, when it came to that brother Wuji, they would not even be seen in the same light. That brother Wuji was too handsome, he looked like he stepped out of a painting. Compared to him, they were all ugly.

They found a clearing nearby and landed the two flying spirit tools. Upon touching the ground, Xue Wuji howled and pounced towards Yun Chujiu, wanting to give Yun Chujiu a big hug.

However, Xue Wuji had yet to arrive in front of Yun Chujiu when he heard a shout from the sky, "Xue Wuji! Stop right there!"

Everyone looked up and saw a white-robed man flying over from not far away on his sword. His eyebrows were as sharp as ink and his eyes were sharp. Anyone who saw him could not help but want to kneel and submit.

Xue Wuji pursed his lips. The damn facial paralysis arrived too quickly! Just a little bit more and he would Little Sister Jiu away.

Just as Di Beiming landed on the ground, Yun Chujiu pounced on him, "Prince Charming! I missed you so much! I thought I would never see you again!"

Di Beiming hugged Yun Chujiu tightly in his arms. His heart was filled with all kinds of feelings. Guilt, heartache, and joy were all mixed together. He could not even say a single word.

“Enough! Enough! Don’t get too excited! There will be plenty of opportunities for that in the future! Little Sister Jiu, hurry up and tell me how you escaped!” As Xue Wuji looked at the two of them, his heart felt sour. Even little sister Jiu was not so excited when she saw him. Sure enough, she only had Di Beiming in her eyes. His heart felt like it had been cut by a thousand swords.

Yun Chujiu broke into a smile and said smugly, “Oh right, Prince Charming, brother Wuji, I will be the Sect Master of the Heavenly Thunder Sect from now on! These are all members of the Heavenly Thunder Sect.”

Di Beiming and Xue Wuji were dumbfounded. How did she become a sect master after not seeing her for a few months?

“Little Sister Jiu, what’s going on with this Heavenly Thunder Sect? Are they originally from another sect?” Xue Wuji sized up Yu Hai and the others. There were five spirit emperors among them, and the rest were all above the fifth layer of the spirit cultivator realm. It was not bad, but what was this Heavenly Thunder Sect all about?

“Hehe, no. They were originally from the Fishbone Gang. The Heavenly Thunder Sect is my newly established sect. How about it? I’m pretty good at naming things, right? The Heavenly Thunder Sect is the ancestor of the Thunder Sect. That damned old b*stard Tian Dao always wants to strike me down. This time, I can finally hold my head up high!” Yun Chujiu said smugly.

Yu Hai and the others’ faces were stiff. The ancestor of the Thunder Sect? Old b*stard Tian Dao?

Damn it, would it be too late for them to leave the sect now?

Sect Master, are you crazy?! You dared to shout at the wild heavenly lightning and Tian Dao. Are you not afraid that Tian Dao will get angry?!

Just as Yu Hai and the others were cursing in their hearts, they felt the sky darken. A few dark clouds were rapidly gathering around them. Yu Hai and the others thought to themselves, it's over! Tian Dao is going to send down heavenly lightning to strike their sect master!

Oh, sect master, even if the name you came up with really meant that you should have kept it to yourself. Why did you say it out loud? Great, now that you've angered Tian Dao, he will strike you to death with lightning! Their Heavenly Thunder Sect was plagued with disasters. A few days ago, they were almost destroyed by that Godly Devil Hall. This time, their sect master was going to be struck to death by lightning again!
