

## The Yun Family's Ninth Child is an Imp! Chapter 84

Yun Chujiu's eyes lit up as she looked at the storage ring on Di Beiming's finger. She secretly thought that the gigolo must have put a lot of good things in it. The gigolo was really rich!

It would be great if she had a storage ring, even if she had a storage bag! It was said that that thing could keep warm and fresh. It was even more awesome than a refrigerator.

If he had a storage bag, wouldn't he be able to eat fresh fruits and food at any time?

Di beiming saw that Yun Chujiu did not show any reaction after getting into trouble. He was even more annoyed. "Black Thing! Are You Mute? !"

"Ah! Idol, didn't you say that only those at the fourth level of the spirit enhancement realm could release their spiritual power? I just wanted to test it out. Who would have thought that I would really create a bolt of lightning? Idol, you are knowledgeable and knowledgeable. What is going on with me?" Yun chujiu asked flatteringly, she secretly led the rhythm astray.

Di beiming frowned. Yes, the black thing was only at the first level of the spirit enhancement realm. How did she release her spiritual power?

"My Prince Charming, also, those old guys can't see that I have spiritual power. What's going on?" Yun chujiu saw that di Beiming's attention was indeed diverted, so she quickly added fuel to the fire.

Only then did di beiming realize that he had a preconceived idea. If he didn't know beforehand that the black thing could absorb the power of lightning, he really couldn't see that the black thing had spiritual power.

How could the things that happened to the black thing be so strange? !

“Prince Charming? Prince Charming?” Yun chujiu saw that di beiming did not speak for a long time, so she could only call out tentatively.

Di beiming smelled the burnt smell of his hair and raised his eyebrows, “Well, your situation is a bit special, I’m afraid...”

“Afraid of what?” Yun Chujiu’s little heart was raised.

“I’m afraid your life is in danger! Black Thing, you have to report your situation to me at any time. Otherwise, I won’t be able to save you! Do you understand?”

Yun chujiu immediately nodded, “Yes! Yes! Prince Charming, I’ll listen to you! Prince Charming, then I won’t live long, right?”

“Sob, I’m only fourteen. I’m still a flower bud that hasn’t bloomed yet. I don’t want to Die! Sob...” Yun chujiu started to cry half-truthfully. Her tears fell one after another. She looked so pitiful!

Di beiming originally wanted to scare Yun Chujiu, but when he saw Yun Chujiu crying, his heart inexplicably trembled. he shouted helplessly, “What are you crying for? Don’t you still have me? ! With Me Here, you won’t Die!”

“SOB, male god, you’re such a good person! I love you to Death!” Yun chujiu pounced in front of di beiming and hugged di beiming’s waist, sobbing.

Di beiming’s body instantly stiffened, and he could only say incoherently, “Okay, okay, stop crying, you won’t die! The Scourge lives for a thousand years, you can live for ten thousand years!”

Yun chujiu secretly gritted her teeth. You are the F \* cking scourge, you are the ten-thousand-year-old turtle! Yun chujiu secretly wiped her tears and snot on di Beiming’s spotless white clothes.

After Yun Chujiu had done her bad deed, she rubbed her eyes and said pitifully, “My idol, my life will be in your hands from now on! How am I going to cultivate now?”

“Everything will be the same as before!” Di beiming stared at the suspicious water stains on his clothes and could not help but feel uncomfortable. “Prepare the bath water. I want to bathe.”

Yun chujiu also knew the reason to stop when the time was right. She said obediently, “Alright, my idol. I will go get the bath water now. I promise to let you bathe until you smell good!”

Without waiting for di beiming to speak, Yun Chujiu quickly ran out.
