

The Yun Family's Ninth Child is an Imp! Chapter 843

Yun Chujiu did not look at herself in the mirror after taking a shower. After hearing what Xue Wuji said, she immediately took out a mirror. Then, she touched the mirror with her hand in disbelief, she exclaimed, "Damn! is this beauty in the mirror really me? I finally understand what it means to be able to topple a city with one look and then a country with another! Hahaha! I, Yun Chujiu, have finally turned from a sparrow into a Phoenix! I was still a black sparrow back then!"

Xue Wuji rubbed his chin. Alright, she was originally very beautiful, but after Little Sister Jiu showed off, some of the charms had faded. A true beauty still depended on her temperament!

Yun Chujiu stood in front of the mirror and admired herself for an hour. She exhausted all the words about beauty in her vocabulary describing herself before she put away the mirror contentedly.

To show off, she intentionally let the flying spirit tool land on wide empty space. She circled around in front of Yu Hai and the others, and as she intended, she saw the faces of her dumbfounded subordinates. Only then did get on the Flying Spirit Tool.

Yu Hai and the others did not regain their senses until they boarded their own flying spirit tool. Damn it, our sect master is actually so beautiful?! This god is really unfair! Not only is our sect master's spiritual power abnormal, but she is also so beautiful. Life is so unfair to us!

The thing that Yun Chujiu was suddenly most obsessed with while on the way was to look in the mirror. As she looked in the mirror, she would start to mumble to herself as if she was possessed.

An Feng secretly criticized her. The current state of the Ninth Miss was like a poor person who had suddenly become rich. It would probably take some time for her to get used to her beauty. However, the Ninth Miss' appearance had indeed become more and more beautiful. She was comparable now to the famous beauties in the Tianyuan continent.

A month later, everyone finally arrived near the Spirit Radiance Sect.

Yun Chujiu did not return to the Spirit Radiance Sect immediately. Instead, she took a detour to Spirit Radiance City. Firstly, she wanted to visit Yun Xiaotian. Secondly, she wanted to settle Yu Hai and the others somewhere.

Yun Xiaotian had not known about the news of Yun Chujiu's accident. Yun Chujiu also told everyone not to mention it.

"Grandfather, do you think I've become more beautiful?" The first thing Yun Chujiu did when she saw Yun Xiaotian was to show off her appearance.

Yun Xiaotian nodded. "Your general appearance hasn't changed much, but your skin has become whiter, and facial features have become more exquisite! In grandfather's heart, Little Jiu has always been a beautiful little fairy."

"Hehe, grandfather's taste is still the best. I was born with natural beauty!" Yun Chujiu's eyelashes immediately beamed with joy. She grabbed Yun Xiaotian's arm and hopped into the room.

An Feng gave Yun Xiaotian a salute in his heart. The older the ginger, the spicier it is. Look at how good old master Yun is at sweet-talking. We still have a lot to learn from him!

After everyone had their lunch, Yun Xiaotian said to Yun Chujiu, "Little Jiu, come to my study. Grandfather has something to tell you."

Yun Chujiu's heart sank when she saw Yun Xiaotian's serious expression. Did something happen?

"Grandfather, what do you want to talk to me about?" Yun Chujiu asked impatiently after entering the study.

Yun Xiaotian sighed, "Little Jiu, grandfather is not senile yet. Tell me honestly, did you run into danger again?"

Yun Chujiu laughed dryly, "Grandfather, I kept quiet because I was afraid that you would be worried! Besides, I'm still alive and kicking now. Isn't everything fine?!"

"Sigh... In the end, grandfather is useless and can't protect you." Yun Xiaotian sighed deeply.

"Grandfather! How can you think like that? Little Jiu was naughty and stupid in the past. If it weren't for grandfather protecting me, I might not have been in such a miserable state! Now that I'm more powerful, it will be Little Jiu protecting you in the future!" Yun Chujiu said with a serious face.

Yun Xiaotian gritted his teeth and seemed to have made up his mind. Then he said, "Little Jiu, grandfather has something to give you."

Yun Chujiu blinked her eyes and suddenly remembered that when she had just transmigrated, she had overheard her grandfather and housekeeper Ji saying that the Yun family seemed to have some secret treasure. Could it be that grandfather wanted to give that treasure to me?

Yun Xiaotian took out a cloth bag from his storage ring and opened it with trembling hands. Inside was another cloth bag. When he opened it again, there was...

Yet another cloth bag.
