

The Yun Family's Ninth Child is an Imp! Chapter 848

“What? The Black Bead also went into your Dantian?” Di Beiming finally reacted. Even if a weapon spirit was contracted to someone, its main body would not enter its master’s body. However, the Black Bead just now directly went into Little Jiu’s forehead. That was not normal.

Yun Chujiu sat on the ground and pursed her lips, she wiped away her tears and said, “That’s right, that damned Black Bead was enjoying the thunder and lightning in my Dantian! “Wu Wu, I originally planned to use the Thunder and lightning to cultivate, but in the end, it was all absorbed by this damned Black Bead! This is my Dantian, not a hotel! So many of them came in uninvited. This is infuriating!”

Di Beiming helped Yun Chujiu to a chair and comforted her, “Since it has acknowledged you as its master, it probably won’t hurt you anymore. Wasn’t the great void mirror in the same situation in the beginning? Didn’t it end up helping you out of certain situations?”

Yun Chujiu recalled the situation with the great void mirror. Damn it, if it wasn’t for the Strange Grass, she might have been sucked dry as well! None of them were easy to deal with!

However, although the Strange Grass and the great void mirror were unreliable, they were still somewhat useful. This damn Black Bead was like a black glass ball, what use could it be?! Other than sucking her blood and devouring her lightning, all it did was eat!

Yun Xiaotian stood at the side regretfully. If he had not insisted on letting Little Jiu take care of the Black Bead, none of that would have happened. He was the one who had harmed Little Jiu!

Yun Chujiu was very shrewd. When she saw Yun Xiaotian’s expression, she was afraid that Yun Xiaotian would get angry, she quickly said, “However, nothing can be said for sure. Perhaps this Black Bead will help me in the future! Since it was passed down from the Yun family’s ancestors, it must be of some use! Grandfather, I took advantage of it by accident. Are you still angry with me?”

Yun Xiaotian was also a wise old man, so he naturally understood that Yun Chujiu said this because she was afraid that he would blame himself, he sighed. “Little Jiu, why would grandfather be angry with

you? If grandfather didn't insist that you take care of the Black Bead, why would all these things happen?! Grandfather has let you down!"

"Grandfather, what's the phrase? Yes, it's fated! This Black Bead is fated to be mine, so it will end up in my hands sooner or later! Besides, no matter how much of a bastard it is, it wouldn't dare to kill its Master." Yun Chujiu said with a smile, it was as if the person who was crying earlier was not her.

Yun Xiaotian was about to say something when the light in the room started to dim as if it was suddenly cloudy.

Yun Chujiu's heart skipped a beat. Could it be that this Black Bead was really something important? Was that old b*stard Tian Dao going to play his hand again?

Yun Chujiu walked to the door and took a look outside. Indeed, dark clouds were gathering in the distance. From the looks of it, there was a sizeable amount of them.

Yun Chujiu rolled her eyes. "Grandfather, I suddenly remembered something very, very important. I'm going back to the Spirit Radiance Sect. I'll come back to see you in a few days. The people I brought back are my subordinates. They'll be staying in our Yun mansion for the time being. Please help them settle down."

Seeing that Yun Chujiu did not seem to be lying, Yun Xiaotian hurriedly said, "Then hurry up and go! Leave the matter of settling them to grandfather. You don't have to worry about it."

Yun Chujiu nodded. "Prince Charming, call brother Wuji. We'll return to the Spirit Radiance Sect immediately."

Di Beiming saw the gathering dark clouds and understood Yun Chujiu's intentions. He asked An Feng to go to the living room to inform Xue Wuji and his servant. The five of them then quickly left for Spirit Radiance City.
