

The Yun Family's Ninth Child is an Imp! Chapter 853

When Wu Yun saw that Yun Chujiu had disappeared from the deep pit, she thought that it must have been the ultimate move that killed the little devil. It formed a smiling face in the sky proudly and then skipped away.

Di Beiming and Xue Wuji were dumbfounded!

Looking at Wu Yun's jubilant mood, could it be that Little Jiu had finally been struck to death?

They quickly ran to the top of the deep pit, then rode their swords and flew into the deep pit. It was not long before they found the seemingly bottomless hole nearby.

As the hole could only accommodate one person and could not ride their swords, the four of them could only activate their spiritual energy barrier before they jumped down one after another.

When the four of them reached the bottom, they found that Yun Chujiu was fighting with a group of silver-masked men and three gold-masked men.

The four of them immediately joined the battle without a thought. Although there were quite a number of silver-masked men, they were no match for Di Beiming and Xue Wuji. In less than 15 minutes, they were incapacitated.

The three gold-masked men looked at each other, then bit their index fingers and cast the secret skill Yun Chujiu had seen before again. After three huge Red Spider Lilies flashed before their eyes, the three of them disappeared.

Almost at the same time, the silver-masked men all bled to death from their seven orifices. It was the same situation that Yun Chujiu had encountered at the bottom of the lake.

Originally, Di Beiming and Xue Wuji had thought that Yun Chujiu was exaggerating when they heard Yun Chujiu's story. Now that they had seen it with their own eyes, the Godly Devil Hall was indeed frightening.

"Little Sister Jiu, why did you fall into this place? What is this place?" Xue Wuji asked.

"I wanted to find a place to hide to avoid the Heavenly Lightning's ultimate attack. In the end, I kicked a hole in the ground in desperation. I didn't expect that I would fall into this place after being struck by the remaining power of the heavenly lightning. Before I could regain my senses, a group of people rushed me! F*ck, I had no time to think so just I defended myself. Just as the fighting started, you guys arrived. I didn't have the time to check out this place yet." Yun Chujiu said as she looked around.

This was obviously a tunnel. The front was brightly lit, so it should be the right place. An Feng and Secret Agent Huahua searched the silver-masked men's bodies, then Yun Chujiu, Di Beiming, and Xue Wuji walked forward.

When the three of them saw the scene in front of them, they were stunned, and even felt nauseous.

This was a very large room. In the middle was a big array, and in the middle was a huge Red Spider Lily. Around it were 108 array leaves, and on each of them were complicated ancient runes.

Around the array was a pool of blood. Tens of thousands of demonic beasts were chained to the ground. They were not dead, but the blood in their bodies was constantly being drained into the blood pool around the array disk.

This array disk was not activated by Spirit Stones, but by the blood and life force of the demonic beasts. It was truly terrifying!

"DAMN! Although our Demon Blood Sect is named as such, our demon blood pool is not filled with blood. This Godly Devil Hall is too abnormal!" Xue Wuji clicked his tongue repeatedly, no wonder there

were not many demon beasts in the mountain filled with so many spiritual plants. It turned out that they were all already captured and brought here.

“Prince Charming, what is the use of this array? How can we stop it? If we don’t, I think some of the demonic beasts will die! Although we usually kill them, this is too cruel! Besides, look at them... They are all so weak from having their blood drained.” Yun Chujiu saw the pleading looks in the Demonic Beasts Eyes, she couldn’t bear it.
