

## The Yun Family's Ninth Child is an Imp! Chapter 86

"Save yourself the trouble!" Di beiming said as he walked out.

Yun chujiu was so angry that she glared at him. "You saved yourself the trouble! " She still had to find housekeeper Ji and an men!

An Feng and an Yin were dumbfounded when they saw di Beiming's new look!

'Why did your excellency's hair become shorter after sleeping in Miss Jiu's room? ' '? 'what's going on? ' ?

An Yin was fine, but an Feng felt like a cat was scratching his heart. He could not help but ask, "Your Excellency, your hair? "

Di beiming glanced at an Feng coldly. "Cool! Do you have any objections? "

An Feng shrunk his neck and sneaked back to the Yun residence. He hid himself carefully. The black girl was already very vigilant, but now that Xiao Heiniaoy was here, it was even more difficult to hide! It seemed that he had to stay further away from the courtyard.

At this moment, Yun Chujiu was jumping up and down and scolding di beiming, "Damned gigolo! You just left like that! You left me a lot of trouble! "

"Xiao Hei! Burn the stray hairs on the ground! " Yun chujiu pointed fiercely at the hair that di beiming had cut off.

"Xiao Heiniaoy, why are Sha Xing's hair all burnt? Who Did It? " Xiao Heiniaoy was shocked. Someone actually dared to touch the soil on his head? He was really tired of living!

Yun chujiu straightened her small body. “Of course I’m your master! HMPH! Xiao Hei, I’m warning you, call me master from now on! If you call me little black girl again, I’ll chop you into a roasted chicken!”

Xiao Heiniao looked at Yun chujiu suspiciously, then, he hugged his wings and laughed. “Aiyoi! Little Black Girl, don’t Tease Me! You? If you have the ability, chop me! Besides, I love being struck by lightning the most! That thing is a great tonic for me!”

Yun chujiu then remembered that this little pervert in front of her was the same as her. Not only was he not afraid of being struck by lightning, but he also liked being struck by lightning.

Yun chujiu rolled her eyes, “As you wish. Anyway, you don’t have to eat lunch.”

The little black bird rolled its eyes and immediately said in a flattering manner, “Dear master, I was joking with you just now! In Xiao Heiniao’s heart, master, you are the most beautiful, the most beautiful, and the most powerful!”

Yun chujiu pursed her lips and did not say anything.

Xiao Heiniao immediately continued, “Dear master, I will now deal with the mess left behind by the gigolo. That gigolo looks like a sissy, bathing and changing in broad daylight, how disgusting!”

Yun Chujiu’s eyes lit up. Yes, yes, yes, listening to people, ah, no, listening to birds scold the gigolo, it felt really good! So she looked at Xiao Heiniao with encouragement.

Xiao Heiniao immediately understood, he pulled his neck and started to scold, “Look at that gigolo’s arrogant look, his face is asking for a beating! Master, it’s not too late for our master pet to take revenge! When the time comes, you will strike with lightning, and I will burn with fireballs, making that gigolo kneel at our feet and cry bitterly, regretting not having done it in the past! ...”

“Yes! You are worthy of being taught! I will give you more food for lunch.” Yun chujiu listened to the angry scolding of the Xiao Heiniaio. Her heart was extremely comfortable, and her face was smiling like a flower.

“Master, you are so great! Master, you are the best master in the world! I love you!” Xiao Heiniaio did not even care about the face of a bird in order to eat!

Just when the Xiao Heiniaio was about to burn di Beiming’s broken hair, Yun Chujiu rolled her eyes and picked up a strand. She wrapped it up with the handkerchief that di beiming threw away last time and put it away.

“Master, what do you want the Pretty Boy’s hair for?”

“I’ll keep it for now. Maybe one day I’ll learn a curse spell or something. I’ll curse the Pretty Boy to death!”

Xiao Heiniaio could not help but shiver. The black girl is indeed a black-hearted person. I must not offend her in the future!

Yun Chujiu spent a long time and finally cleaned up the house. Only then did she unlock Chun Yu’s acupoints.

The little girl was easy to fool. Yun chujiu managed to fool her with only a few half-truths.

However, the door was gone again. How was she going to tell her grandfather?

After lunch, Yun chujiu braced herself and went to look for Yun Xiaotian.

“Grandfather, my master came just now! He took two things from our house. Don’t you feel sorry for him?”

“You Child! Not to mention two things, even ten or a hundred things should be taken! By the way, what did your master take?”

“Well, it’s nothing. He only took two doors!”

Yun Xiaotian..
