

The Yun Family's Ninth Child is an Imp! Chapter 863

"Senior brother Feng Ming, how did you find the enchantment barrier?" Yun Chujiu turned a deaf ear to these questions. If she had a choice, she would not have bothered to save these idiots. However, to fight against the Godly Devil Hall in the future, she needed all the help she could get. She could only reluctantly save these idiots along the way.

Feng Ming smiled bitterly. "Junior Sister Little Jiu, we used the stupidest method. We blindly attacked any suspicious spots to see where we would encounter the barrier. Unfortunately, we never found it."

Yun Chujiu nodded. Although it was the dumbest method, it was also the easiest to execute. She did not know if it would be useful to try insulting the resident rune spirit again.

Yun Chujiu stood up and cursed at the sky with her hands on her waist. There was no reaction. It seemed that this rune spirit here was not so stupid.

When the people who ridiculed Yun Chujiu saw her behavior, they laughed again and again. "I told you that this Yun Chujiu was just bluffing, right?! She really has nothing to do. She's actually scolding the rune spirit! Isn't she afraid that the rune spirit will punish her in anger?!"

"That's right! The rune spirit is equivalent to Tian Dao here. Isn't it asking for death to curse at the rune spirit?! I think we should kneel and beg for it to let us go."

"Ah, you're right. Why didn't we think of that before? Quick! Let's kneel and beg the rune spirit to let us out!"

The person's words were the last straw for everyone. They knelt and begged the rune spirit for mercy. "Lord rune spirit! We were wrong! Please let us out!"

"Yes! Lord rune spirit, as long as you let us out, we will pray for you day and night in the future. We will present you with offerings daily!"

...

Everyone knelt for a long time. Other than the sound of the wind, there were no other changes. At that time, one of the men said, "Yun Chujiu must have insulted the rune spirit and angered it! That's why the Lord Rune Spirit didn't accept our request! Yun Chujiu, quickly kneel and apologize to the Lord Rune Spirit!"

"Yes! Yun Chujiu! Quickly kneel! We can't all be implicated because of your mistake alone!"

"Yun Chujiu! If you don't kneel, don't blame us for treating you badly!"

...

The Leopard King felt that these people must have been mentally ill. The so-called rune spirit would never let them go. Since it had already trapped them, why would it let them go?! Moreover, the one you were scolding is a little devil in disguise. Are you looking for trouble?!

The Yun siblings, Feng Ming, and the others were furious!

"Shut up! Has your conscience been eroded completely?! Junior Sister Little Jiu risked her life to come here, and this is how you repay her?! Moreover, since this rune spirit trapped us here, what reason would it have to let us go?!"

The person who spoke first had a disdainful look on his face. "Feng Ming, what you said sounded too nice! I don't believe that Yun Chujiu is so kind-hearted. Maybe she came in for the Spirit Medicine! Doesn't everyone want to get out? If they want to, then force Yun Chujiu to kneel and admit her mistake to the rune spirit! This is our only way! Nobody wants to be trapped here forever! Yun Chujiu, quickly kneel and apologize! Or else, we will kill you!"

At that moment, everyone had already lost their minds due to the despair and that person's words. After being provoked by him, they immediately shouted, "That's right! That makes sense! Yun Chujiu, quickly kneel and apologize! or else, we will attack you!"

When the Spirit Radiance Sect members saw that the others wanted to attack Yun Chujiu, they quickly drew their weapons then put themselves between Yun Chujiu and her would-be attackers.
