

The Yun Family's Ninth Child is an Imp! Chapter 864

"Anyone who protects Yun Chujiu is going against the rune spirit! Get out of the way, or we'll kill you all!" That person continued to cause a commotion from behind the crowd.

"Yes! Get out of the way! If you don't want to die, then get out of the way! We must make Yun Chujiu apologize to the rune spirit! We don't want to be trapped here forever!"

"Yun Chujiu! If you have a shred of conscience, then quickly stand up and apologize to the Lord Rune Spirit! Otherwise, we won't hold back anymore!"

...

Yun Chujiu's eyes darkened. These people were too stupid to be saved! However, the most detestable one was the person who started all this trouble. He was so scheming. Could it be that he had a grudge against her? Or was he someone from the Godly Devil Hall?

Yun Chujiu thought of this and smiled slightly. "Senior brother Feng Ming, stand aside. I have something to say to them."

Feng Ming and the others were already used to Yun Chujiu's plans. When they heard Yun Chujiu's words, they immediately opened up a path. Yun Chujiu slowly walked to the front of the crowd.

"I can apologize to the rune spirit. Brother, come over here. I have a few questions that I don't understand so I want to ask you first." Yun Chujiu shouted at the man behind the crowd who had instigated things.

The man's eyes flickered a few times. Just as he hesitated, he heard Yun Chujiu say mockingly, "Aren't you the one who made the most noise? Why don't you even have the guts to confront me? Could it be that what you said just now was all for selfish reasons?"

The man said with a stern expression, "What selfish reasons would I have? I'm only saying what was on everyone's minds! I'd like to see what other tricks you have up your sleeve!"

The man reluctantly walked to the front and looked at Yun Chujiu with a guarded expression, "What do you have to ask? It's better to quickly kneel and admit your mistake to the rune spirit!"

Yun Chujiu sized him up. He was wearing the disciple uniform of the Heavenly Gates Sect, so he should be one of their disciples. Yun Chujiu smiled, "It's fine to admit your mistake, but..."

Yun Chujiu suddenly jumped forward and hit the man's chest with her palm. Although the man was on guard, the difference in spiritual power between him and Yun Chujiu was considerable. There was no way for him to dodge and he was hit directly, Yun Chujiu did not intend to kill him, so she only used 30% of her strength. Even so, the man was still sent flying hundreds of feet away and spat out a mouthful of blood.

Before he got up, Yun Chujiu was already in front of him. The kitchen knife was pressed on his neck, and then she grabbed his chin. As expected, she found a hidden poison in the man's mouth!

"Oh? I wonder why this righteous person hid poison in your mouth? Could it be that you were ready to commit suicide at any time! As far as I know, only some shady organizations would let their subordinates hide poison in their mouths, right?! Unfortunately, the organization that tried to harm us in the ancient sword tomb was one such organization. Don't tell me you're related to them?" Yun Chujiu asked with a cold smile.

The man's eyes flickered, he defended himself, "Yun Chujiu, don't slander me! The reason why I hid the poison in my mouth was that I was afraid of encountering any danger. I wanted to commit suicide to preserve my dignity. Everyone, this Yun Chujiu deliberately wanted to kill everyone here. Are you just going to watch her kill me?"

The onlookers immediately became agitated and started to clamor, "Yun Chujiu, quickly release him! Otherwise, we won't let you off easily!"

“Yes! Release him! Quickly apologize to the rune spirit!”

...

Yun Chujiu shouted angrily, “A bunch of idiots! All of you shut the F*ck up! Or else, I’ll kill him!”

When the crowd saw Yun Chujiu cutting into the man’s face bit by bit, they immediately felt a chill down their spines. Their clamoring voices gradually became softer and softer....
