

The Yun Family's Ninth Child is an Imp! Chapter 869

The Leopard King looked at the tufts of leopard fur on the ground and trembled with anger. Little Devil, is it really okay for you to lie like this?!

Yun Chujiu glanced at the Leopard King's bare skin and touched her nose guiltily. She took out the corpses of several Giant Ice Wolves from her storage ring. "I'll let you have a taste of this. It wasn't easy for me to get these."

After the Leopard King finished eating the meat, its attitude immediately changed from one of hostility to being obedient!

Damn, this wolf meat was much better than the wolf meat in the Elixir Valley! Although this Little Devil crossed the line sometimes, she was still quite generous! What she said made sense. If the old didn't make way for the new, then he would never know if a stronger coat of fur would grow.

When everyone saw the majestic eighth-level Ironhide Leopard being obsequious like a puppy, they felt embarrassed on its behalf.

Yun Chujiu looked at the fawning Leopard King and an idea flashed through her mind.

Yun Chujiu patted the Leopard King's big head and sighed, "Sigh! Little Bun, it's fate that we met. I can't bear for you to be kept in the dark. This Elixir Valley will self-destruct in another month. I'm afraid all of you will die just like us!"

"Fairy Yun, didn't Liu Li say that this Elixir Valley will only sink underground?" Someone asked in surprise.

Yun Chujiu was about to cry from the stupidity of these onlookers! 'Damn it, are all these sect members so gullible?!'

“I’m afraid that the Godly Devil Hall is trying to fool Liu Li. Why would they only trap us after spending so much effort? If we refer to the situation in the ancient sword tomb, this place will surely be destroyed. Thinking back to that time in the ancient sword tomb, after the self-destruction array formation was activated, the sky was constantly struck by lightning. What was even more terrifying was that the ground cracked and there was raging fire below...”

When everyone heard Yun Chujiu’s words, their faces paled with fear. If that happened, does that mean they would all be dead?!

“Sigh! When that time comes, it won’t be just us but the demonic beasts and spiritual herbs will also wiped out. It’s a disaster!” Yun Chujiu let out a long sigh.

The Leopard King had been thinking of a way to escape and had not paid attention to what Liu Li said. Now that it heard Yun Chujiu’s words, it was also afraid.

“Little Bun, you are much stronger than us. No matter what, you have lived for hundreds of years, right?! That’s long enough right?!” Yun Chujiu blinked her eyes and said.

The Leopard King wanted to maul her to death. What the f*ck did she mean that it was worth it?! Who the f*ck would want to die so pointlessly?!

“Fairy Yun, is there no way?”

“The only way is to find a place with abnormal spiritual energy fluctuations. That place is very likely to be where the enchantment barrier is at. At that time, we can work together to break the enchantment and have a chance to survive. Otherwise, what awaits us is death,” Yun Chujiu said resolutely.

“Fairy Yun, we have been looking for a long time, but we haven’t found the enchantment. Do you have any other ideas?” Everyone placed their hopes on Yun Chujiu.

Yun Chujiu glanced at the Leopard King. The Leopard King could not help but tremble. 'What was she looking at me for? I do not know where the enchantment is. Why was the Little Devil looking at me?!'

"Little Bun, you don't want to die, do you?"

The Leopard King rolled its eyes. It was not a simple stupid deer. Of course, it did not want to die!

"Now, we can only survive if we work together. How about we make a deal?" Yun Chujiu said with a smile.
