

## The Yun Family's Ninth Child is an Imp! Chapter 888

Yun Chujiu had no other choice. She had never studied array formations before and had only learned the basics from some books she had read. Other than finding the enchantment and breaking it by force, she did not have any other good ideas.

Seeing this, everyone could only try their best and split up again to look for places where the spiritual energy fluctuation was abnormal, including those demonic beasts.

The Golden Tortoise also wanted to go but was kicked aside by Yun Chujiu. "Forget it! Before you manage to climb two miles, those other beasts would already be back."

The Golden Tortoise felt that its self-esteem had been severely damaged. Was it that slow in climbing? It felt that it was only a little slower than the other beasts!

As the days passed, everyone and the demonic beasts returned dejectedly, as they still found nothing.

Yun Chujiu did not know whether to laugh or cry when she found out that some of the demonic beasts were still missing. Later on, she found out that they had been eaten by other high-level demonic beasts. She thought that it was true. Those high-level demonic beasts had been starving for half a month, so they naturally wanted to have a good meal.

When the Golden Tortoise found out about this situation, it immediately felt that Yun Chujiu's kick was a good thing. Otherwise, it would have been eaten by them too. It was too close for comfort!

Everyone and the other beasts were very depressed. All of them drooped their heads. Only Yun Chujiu was still alive and kicking. She ate and drank well every day and did not seem to be worried at all.

"Little Jiu, aren't you worried that we won't be able to get out?" Elder Qu asked in confusion.

“Time still passes if you’re worrying. The same also happens if you’re happy. Might as well be happy! Besides, is worrying useful? If you are happy, you might find a solution in a flash!” Yun Chujiu said with a smile.

Elder Qu was stunned, and then he threw his head back and laughed, “That’s right! This old man is not as open-minded as a little girl like you. Indeed, it’s useless to be sad. You can be happy instead! Little Jiu, lend me a small hotpot. I want to satisfy my craving.”

Hearing their conversation, some of the people and beasts became more cheery, but most people still dropped their heads and frowned.

Although Yun Chujiu was acting carefree, she had been busy thinking of a way to get out inside. Who would be willing to wait for death?!

She originally planned to summon the Leopard King as a leather chair, but when he saw Di Beiming, he immediately changed his mind.

“Prince Charming, come here for a moment!” Yun Chujiu stretched out her hands and waved at Di Beiming.

Di Beiming thought that she had something to do, so he quickly got up and sat beside her. “Little Jiu, what’s the matter?”

“Well, it’s nothing big. I’m a little tired. Let me lean on your shoulder for a while!” Yun Chujiu said and leaned on Di Beiming.

Di Beiming put his right hand around her waist and said gently, “If you’re tired, sleep for a while!”

“I’m not tired. I just can’t think. It’s a little annoying,” Yun Chujiu pouted and said.

“There will always be a way. Don’t worry. Even if the enchantment is destroyed, I will protect you. Nothing will happen to you.” Di Beiming’s eyes were deep, and his words were full of determination.

Yun Chujiu felt her little heart go weak. Damn, when Prince Charming talks about love, it’s too destructive on me! She wanted to ravage him!

The two looked at each other with tenderness and a swirl of emotions, all in silence...

“Little Sister Jiu, I will protect you too! I would rather die than let anything happen to you!” Xue Wuji could not stand Di Beiming and Yun Chujiu showing off their love and affection, so he immediately took the initiative to give Di Beiming a hard time..
