

The Yun Family's Ninth Child is an Imp! Chapter 89

Yun chujiu was pleasantly surprised and immediately ran in front of the mirror.

“Chun Yu, are you kidding me? Isn't it still so dark? It's like a charcoal ball!” Yun Chujiu was full of hope, but when she saw herself in the mirror, she was instantly discouraged.

“Miss, look carefully, it's really a little whiter! You were originally dark and dark, but now it's a little gray!” Chun Yu explained anxiously.

Yun chujiu..

Dark and tanned? A Little Gray? Chun Yu, do you know that you won't have any friends if you speak like this?

Yun chujiu looked at the mirror carefully. Needless to say, it really became a little whiter!

Yun chujiu rolled her eyes. It didn't turn white for no reason. Could it be because the seed sprouted? So she became a little whiter?

Then could it be that the reason why her original body could not cultivate was also because of the seed?

Damn! It must be so! All the good things had been absorbed by the damn seed! That was why she was black and shriveled!

Then how did it suddenly sprout? Was this change good or bad?

The mysteries were one after another. It was really puzzling!

While Yun chujiu was frowning and deep in thought, the little black bird flew to Yun Chujiu's shoulder.
"Master, you smell so good!"

"Smell so good? Nonsense, I didn't bring any sachet or anything! Chun Yu, do you smell anything?"

Chun Yu took a sniff honestly. "Miss, there's only the smell of Acacia, there's no special smell."

Xiao Heiniao panicked. "It's true, master. There's a kind of... Well, anyway, it makes me feel very comfortable."

Yun chujiu pursed her lips. She did not take Xiao Heiniao's words to heart. Xiao Hei must be trying to please her.

After breakfast, Yun Chujiu sat in the courtyard in a daze.

She had no idea what to do with Xiao Cao in her dantian right now. Perhaps she could find a way to enter the Linghua sect.

Elder Sun said that the spirit flower sect had to go through a test to recruit laborers. It seemed that she could only work hard on the path of cultivation.

Coincidentally, there was a heavy rain that night, and the entire night was filled with lightning and thunder.

Yun Chujiu, this fellow, held up two copper basins and filled the courtyard with lightning strikes!

Xiao Heiniao followed suit and stood on top of one of the copper basins, waiting to be struck with joy!

Chun Yu's entire body was in a bad state!

Oh God, it was fine if the young lady was abnormal, but why was the new bird also a Weirdo? !

Yun chujiu and Xiao Heiniaio absorbed the power of thunder and lightning as they wished for the whole night. Both of them were extremely satisfied.

"Master, I need to digest the power of thunder and lightning that I absorbed, so I need to sleep for a period of time. You have to protect me well!" Xiao Heiniaio said flatteringly after having a big meal.

Yun chujiu nodded. "I also need to refine the power of lightning that I absorbed!"

Yun chujiu greeted Yun Xiaotian and spent the next few days cultivating in her own courtyard. This guy really went all out this time in order to get rid of the grass in his dantian one day earlier. He almost forgot himself.

Yun Xiaotian was naturally very happy to see Yun chujiu working so hard. He specially arranged for the big kitchen to send food over on time every day so that Chun Yu could always stay by Yun Chujiu's side in case anything unexpected happened.

At this moment, in the same city, Bai family, Bai Morou was begging Bai Peng bitterly.

"Grandfather, I really can't take this lying down. If it wasn't for that B * Tch Yun Chujiu, elder Su wouldn't have vented his anger on me and my brother, and I wouldn't have been kicked by elder Su either. Now, we can't even go to the Drifting Cloud Sect!"

"Grandfather, you love me the most! You must help me kill that B * Tch Yun Chujiu!"

..

Bai Moyu frowned. "Moyu, that Yun Chujiu's master is an elder of the Linghua sect. He seems to be quite famous. If we anger him, our Bai family will be finished. "

"I don't care! Grandfather, you're the best. You must have a way, right? !" Bai Morou hugged Bai Peng's arm and acted coquettishly.

Bai Peng smiled mysteriously. "If it was before today, grandfather wouldn't have a way either. After all, the Linghua sect is a large and unattainable sect. But this morning, grandfather received a letter. Not only will you have the chance to personally kill Yun Chujiu, you'll also be able to stand out and amaze everyone! "
