

The Yun Family's Ninth Child is an Imp! Chapter 894

"Little Sister Jiu, I'm sorry, I'm sorry! I didn't expect you to say that. I'm surprised but, what you said makes sense. I've always thought about how much is face worth? It's only true if you get something in return," Xue Wuji said with a smile.

"Brother Wuji, you're right! Let others say what they want to say. It's not like they have a lot to offer anyway. When you're much stronger than them, they'll naturally shut up!

"Just like before, many people said that I'm trash, am ugly, and so on. I didn't even bother to pay attention to them because I know that a talented, city-toppling fairy like me will shine sooner or later!" Yun Chujiu said proudly.

An Feng stood at the side, the corners of his eyes slightly twitching. "Miss Jiu, I admit that what you said is true, but is it really good for you to praise yourself like this?"

At that moment, the voice transmission talisman in An Feng's storage ring started to vibrate. After An Feng used his divine sense to read the message, his face instantly turned pale.

"Your Majesty, Miss Jiu! Something happened! The leader of the Heavenly Gates Sect, Du Guyi, had joined the Godly Devil Hall. The Godly Devil Hall has started to attack the other three great sects with the Heavenly Gates Sect as its base. The Bixiao Palace and the Skyblade Sect have been taken over by the Godly Devil Hall because a spy was working for them. The survivors have all gathered at the Spirit Radiance Sect, which was barely able to maintain itself with the protection of the sect's great array.

"In addition, the Godly Devil Hall has captured all the civilians in the cities near the four great sects. They probably want to set up an evil array. Although the Yun mansion is protected by the secret guards and the Thunder Sect's people, but, but..." An Feng could not continue.

Yun Chujiu's heart froze. "But what?"

“But, just last night, a mysterious woman from the Godly Devil Hall came. Her spiritual power was extremely high, and she used the secret technique of the Red Spider Lily to capture old master Yun. She also left a message saying that she will meet you in front of the Spirit Radiance Sect’s main gate in half a month and asks you to exchange his life for your own.”

Yun Chujiu’s head buzzed. She recalled what Yun Xiaotian had said before, and she felt extremely regretful. She should have let her grandfather and the others enter the Spirit Radiance Sect at that time, even though the secret guards and the Thunder Sect’s people had high spiritual power, the secret techniques of the Godly Devil Hall were too unpredictable, and it was simply impossible to guard against them.

“Little Jiu, you don’t have to worry too much. Since they used Old Master Yun to threaten you, they won’t do anything to Old Master Yun for the time being.” Di Beiming comforted her.

“That’s right, Little Sister Little Jiu. There’s still me! At most, I’ll be struck by a few heavenly lightning bolts. Big Brother can handle it.” Xue Wuji saw Yun Chujiu’s small face filled with self-blame and worry, and his heart ached.

“Prince Charming, brother Wuji, you don’t have to worry about me. Let’s return immediately. The Godly Devil Hall? I don’t care if it’s a god or a devil. If it dares to provoke my family, I’ll send them to Hell.” Yun Chujiu’s small face was full of determination, there seemed to be two small flames burning in her eyes. If you dare to touch my grandfather, I will destroy you.

After Yun Chujiu woke everyone up, she told them what had happened. Everyone immediately became confused.

‘What?’

‘The Bixiao Palace and the Skyblade Sect were both conquered?’

‘Those are sects with ten thousand years of history. How could they be conquered just like that?’

The members of the Heavenly Gates Sect were especially confused. They could not believe their ears.. The entirety of the Heavenly Gates Sect had joined the Godly Devil Hall?! How was this possible?! Even if Du Guyi couldn't figure it out, weren't there other elders? They just let Du Guyi do whatever he wanted?
