

The Yun Family's Ninth Child is an Imp! Chapter 899

Du Guyi and master Xuanyuan were engaged in a pitched battle. On the other end, the Bai siblings and Yun Chushan were seen chasing after the Yun siblings.

Bai Moyu was currently at the ninth level of the spiritual emperor realm. Bai Morou and Yun Chushan were both at the eighth level of the spiritual master realm, while the Yun siblings were only at the fifth level of the spiritual master realm. As a result, they were both defeated very quickly.

“Yun Chushan, you actually betrayed the Spirit Radiance Sect. You are not worthy to be a member of the Yun family. Our Yun family does not have scum like you! You are an honorless dog!” Yun Chuqi cursed angrily.

Yun Chushan had a face full of ridicule. “A person goes where the grass is greener. What’s wrong with what I’m doing?! It’s you guys who let me down. What’s so great about Yun Chujiu? Whether it’s the family head, you guys, or those idiots from the Spirit Radiance Sect, they all treat her like a living treasure?! I’ll show you all who has the last laugh! Since you all looked down on our second branch, I’ll let you all die! From now on, the Yun family will belong to my grandfather!”

“Yun Chushan, don’t you feel guilty saying that? As the family head, what did my grandfather ever do to your branch? Whether it’s the distribution of money or the exchanging of favors, what has he ever done to you? If he looked down on you, would he let you come with us to the Spirit Radiance Sect? Moreover, search your conscience. At what time didn’t you find trouble with Little Jiu? Has Little Jiu ever been calculative with you? With Little Jiu’s ability, it would be easy for her to kill you. I didn’t expect her to care so much about family ties, but you turned out to be more of an ingrate!” Yun Chuwu was so angry that her entire body trembled, the feeling of being betrayed by her family was really hard to accept. In the past, she only thought that she was petty and selfish, but she did not expect her to be so inhumane.

Bai Moyu and Bai Morou looked at the internal strife in the Yun family, and their faces revealed a mocking expression. Although they no longer looked at the little power in Ye city, they were still very happy to see the Yun family’s fall from grace. They would first kill the ones here. After that, they would kill that Old Bastard Yun Xiaotian. Then, the Yun Family would be completely wiped out. As for Yun Chujiu, she would die sooner or later.

“Senior sister Bai, stop talking nonsense with them. Let’s kill them!” Bai Morou took the lead and attacked Yun Chuwu. ‘This b*tch is getting more and more outstanding as she grows up. I have long wanted to make her lose face.’

Although the Yun siblings had the advantage in numbers, the difference in spiritual power was too great. They were no match for the Bai siblings and Yun Chushan. Very soon, they were easily defeated and on the brink of death.

Seeing this, Feng Ming and the other two wanted to come over to help. However, they were tied down by their own opponents and had no way to escape.

At that moment, Qing Si jumped over and attacked Bai Moyu.

Bai Moyu snorted coldly. “You’re only at the fifth level of the spirit cultivator realm. You overestimate yourself. Since you want to die so badly, I’ll grant you your wish!”

What Bai Moyu never expected was that Qing Si actually took out a talisman. After activating it, a wave of thick smoke rose into the air. While everyone’s vision was affected, Qing Si took advantage of that opening and saved the Yun siblings with Feng Ming.

“We’re insignificant to the battle here. Let’s go find Little Jiu. Only she can turn the tide.” Qing Si changed her from her previous taciturn tone and said firmly, then, she summoned a jet-black flying spirit tool and beckoned everyone up.

The Yun siblings and Feng Ming were very surprised. Usually, they did not see Qing Si reveal herself. They did not expect that not only did she have a flying spirit tool, but a very high-end one too at that. It must be very valuable.
