

## The Yun Family's Ninth Child is an Imp! Chapter 901

"Junior sister Qing Si, the three of us have flying spirit tools. Although they are not as high-end as yours, it's better than nothing. You attack them while we find a place to land. Then, we'll switch to my flying spirit tool," Feng Ming said.

"Okay!"

Qing Si took the opportunity and attacked Fan Zhen's flying spirit tool with several wind blades. Then, she flew for some distance and found a large clearing. After that, Qing Si landed the flying spirit tool on the ground.

Before Feng Ming could call out his flying spirit tool, Fan Zhen and the others arrived. It turned out that after they saw right through Qing Si's intention, they rode on their swords and chased after her.

"Humph! I advise you not to struggle while on your last legs. Our strength is far greater than yours. Don't worry, I won't take your lives for the time being. Why don't you obediently surrender?!" Fan Zhen said arrogantly.

"Bah! In your dreams! You ugly freak who has no face to see others!" Yun Chuqi's venomous tongue was not that much weaker than Yun Chujiu's.

"You're courting death!" Fan Zhen thrust a palm at Yun Chuqi. Yun Chuqi's injuries were already extensive, so she was in no position to dodge. She could only close her eyes and await her death. She never imagined that she would be pushed away by someone. Then, she heard a muffled groan.

Yun Chuqi opened her eyes and saw that it was Shi Xuan who had blocked the palm strike for her. He was sent flying over a hundred feet away and spat out a mouthful of blood.

“Senior brother Shi Xuan!” Yun Chuqi never expected that Shi Xuan would actually block the palm strike for her. She staggered over and hurriedly stuffed the heaven-grade blood coagulation pill that Yun Chujiu had given her into Shi Xuan’s mouth.

Shi Xuan’s life hung by a thread. Thanks to the heaven-grade blood coagulation pill, he was able to keep his life. However, his injuries were still severe.

“Senior brother Shi Xuan, why did you take the palm strike for me? Are you stupid?!” Yun Chuqi did not cry, but her eyes were red.

Shi Xuan did not speak. He only smiled at Yun Chuqi, but his hand held Yun Chuqi’s.

If Yun Chuqi still did not understand Shi Xuan’s intentions, she would have been truly dumbfounded. Her heart was filled with a bittersweet feeling. If it were not for this moment, she would have been bashful and happy. However, they were about to be sent to the underworld together despite not yet having the chance to express their true feelings.

At that moment, Feng Ming and the others had already engaged in battle with Fan Zhen and the others. Yun Chuqi stuffed a few pills into Shi Xuan’s hands and the two of them gritted their teeth and joined the battle.

The difference in strength between the two sides was huge. Very soon, Qing Si and the others were all knocked to the ground. This was because Fan Zhen wanted to capture them alive. Otherwise, they would have died long ago.

Looking at the people lying on the ground that no longer had the strength to fight back, Bai Morou walked in front of Yun Chuwu and gave her a few tight slaps. “B\*tch! You used this vixen’s face to seduce my admirer. How shameless! I’ll mutilate your face right now. Let’s see what else you can use to seduce people.”

Fan Zhen knew about Bai Morou and Su Yanran's relationship, so he turned a blind eye. As long as they did not kill her, it was fine as long as she was only toying with them.

Bai Morou took out a dagger and sneered as she slashed at Yun Chuwu's face, after thinking for a moment, she put the dagger away. "It's a waste to just cut them up like that. These three b\*tches are your reward. You guys go play with them in the forest first. When you're done, I'll destroy their faces."

The silver-masked men immediately revealed lewd smiles. They had been besieging the Spirit Radiance Sect for the past few days and did not have any time for play. These three girls were each more beautiful than the other, and they were all virgins. Things could not turn out better for them.
