

The Yun Family's Ninth Child is an Imp! Chapter 906

"Little Ancestral Master Yun? The people of your Spirit Radiance Sect are despicable. How dare you acknowledge trash as your little ancestral master?! You came at the right time. It's just the right time to capture all of you in one fell swoop. Kill them! Leave no one alive." Su Yanran sidestepped Elder Qu's attack, she suddenly slammed her palm towards Elder Qu's front heart.

Elder Qu was shocked. How could Su Yanran's spiritual power be so high? It looked like she had already reached the ninth level of the spiritual sovereign realm and was only a step away from ascension.

Elder Qu was not a pedantic person. Seeing that he was no match for her, he hurriedly shouted, "Everyone, let's attack together. I can't deal with this Su Yanran alone."

Five more Spirit Radiance Sect elders came over and surrounded Su Yanran.

Su Yanran curled her lips in disdain and waved her hands. She fought everyone and gradually gained the upper hand.

As Yun Chujiu had divided the people into three groups, they still had far fewer forces than the people of the Godly Devil Hall, and they gradually fell into a disadvantage.

Seeing this, Master Xuanyuan deactivated the Hexagonal Starlight Array. The people inside also rushed out to help Elder Qu and the others fight against the people of the Godly Devil Hall.

Even so, they were still not a match for the Godly Devil Hall. They gradually fell into a disadvantageous position, and the number of casualties increased.

Su Yanran's eyes revealed a proud expression. "You are already at the end of your rope. Those who know how to adapt to the situation are wise men. As long as you immediately abandon your allies and help us find the Eye of the Earth, I will spare you."

“Pui! Shameless scum! Help you find the Eye of the Earth and let you destroy the Azure Mystic Continent? In your dreams! Su Yanran, don’t be overconfident. When Little Jiu gets here, I will take your life!” Elder Qu scolded loudly.

Su Yanran laughed coldly. “Yun Chujiu? I can’t wait for her to get here quickly so that I can humiliate her properly. She’s constantly ruining my plans! If it wasn’t for her, I wouldn’t have taken action so early. All of you suffered because of her. Today, all of you will die!”

As Su Yanran said this, she became more and more aggressive. Elder Qu and the others gradually lost, and wounds started piling up on their bodies. The rest of them were also forced back by the people of the Godly Devil Hall.

Du Guyi’s sword stabbed into the left shoulder of Master Xuanyuan, he laughed wildly, “Xuanyuan Changkong, why else are you hiding? You shrewd old man, I didn’t expect that your Spirit Radiance Sect had so many secrets. Unfortunately, it’s useless. Today is the day you die!”

Master Xuanyuan was extremely anxious. Those people in the square were the backbone of the Azure Mystic Continent. If they died, the Azure Mystic Continent would fall into the hands of the Godly Devil Hall!

No, that would not be the case. There was still Little Jiu. The first prediction was that whoever could find the spirit weapon hidden underground would be his true disciple

The second prediction was that once the Spirit Radiance Sect was destroyed, they could activate the protective array in the southern jade square

The third prediction was that his true disciple would be able to save the Spirit Radiance Sect from the fire and water. The first two rules had already come true, so the last one would as well.

The moment Master Xuanyuan was distracted, Du Guyi found a flaw and stabbed his left leg. Master Xuanyuan screamed and fell to the ground. Du Guyi revealed a fierce smile, he raised his sword and stabbed at Master Xuanyuan. "Old Man, die!"

"Stop! Du Guyi, you bastard! Stop right now!" As he spoke, a fat old man rushed over from afar..
