

The Yun Family's Ninth Child is an Imp! Chapter 91

Three days later, Bai Moyu and Bai Morou happily set off for the Spirit Flower sect.

The two of them left the city. Bai Morou looked in the direction of the Yun family and could not help but sneer, "Yun Chujiu, sooner or later, I will personally kill you!"

Right at this moment, a purple heavenly lightning descended from the sky, heading in the direction of the Yun family.

"Hahaha! Brother, lightning actually struck on this sunny day. It seems that Yun Chujiu has suffered retribution!" Bai Morou laughed out loud in excitement.

"It might be an ordinary dry land mine. Let's go, don't miss the registration date!" Bai Moyu looked coldly in the direction of the Yun family. Yun chujiu, if you were to be struck by lightning, it would be too easy for you!

At this moment, the Yun family was already in an uproar!

Yun Xiaotian heard the commotion and was about to come out to check when housekeeper Ji ran in in panic.

"Master! Master! Not Good! A purple heavenly lightning struck Miss Jiu's house! A servant saw it and said that the heavenly lightning was as thick as a child's wrist!"

Although Yun Xiaotian knew that Yun Chujiu had a thunder spirit root, he was still very worried when he heard that the Lightning was so thick. He quickly brought housekeeper Ji and rushed to Yun Chujiu's courtyard.

When they arrived outside Yun Chujiu's courtyard, there were many servants surrounding her. Yun Xiaotian was very unhappy. These people did not rush in to save her, but instead, they were here to watch the show. This was too much!

One of the servants said with a trembling voice, "Master, no, it's not that we don't want to go in to save her. We really can't save her!"

Yun Xiaotian frowned. "Can't Save Her? This is an excuse..."

Yun Xiaotian's words came to an abrupt end because he looked in the direction the servant pointed. What he saw stunned him.

He saw that Yun Chujiu's house had been split open by the Heavenly Lightning, and the surroundings of the house were full of purple lightning, crackling non-stop.

"Master, this girl Chun Yu is very clever. She was about to rush in just now, but she was knocked out by the Lightning as soon as she got close," the servant pointed at the unconscious Chun Yu and said.

Yun Xiaotian was so anxious that his forehead was full of sweat. Fortunately, he knew that Yun Chujiu had a thunder spirit root. Perhaps this was her lucky chance, so he could only wait outside the courtyard.

An hour later, the small lightning outside the room slowly dissipated. Yun chujiu yawned, stretched and walked out.

"Little Jiu, are you okay?" Yun Xiaotian asked worriedly.

"I'm fine, I can not be any better! It's this blind heavenly lightning that destroyed the house, causing me to not sleep well." Yun Chujiu had a look of disgust on her face as she secretly gave Yun Xiaotian a look.

Everyone was so shocked that their jaws almost fell off!

Miss Jiu, you've made a mistake, okay? !

That was Heavenly Thunder! ! It was already good enough that you could save your life, but you actually still wanted to sleep? !

Yun Xiaotian received Yun Chujiu's obscure little gaze and coughed dryly a few times. "Alright, since there's nothing else, everyone should disperse. Little Jiu, come with me. "

Yun chujiu hopped into the study room with Yun Xiaotian.

Yun Xiaotian closed the door and asked with a slightly trembling voice, "Little jiu, what's going on? "

"Grandfather, hahaha, I've advanced! I'm now at the third level of the Spirit Enhancement Realm!" Yun Chujiu had a smug look on her face.

Yun Xiaotian stretched out three trembling fingers. "Third, third level? "

Yun chujiu nodded. "Grandfather, have I broken through a little too little? If I hadn't been in a hurry to register at the Linghua sect and cultivate for a period of time before breaking through, I should have been able to reach the fourth level of the Spirit Enhancement Realm. "

Yun Xiaotian couldn't help but burst into tears, and then he threw his head back and laughed heartily.

Yun Chujiu was dumbfounded. It was over. If she had known this would happen, she wouldn't have been so smug. This time, she had scared the crap out of her cheap grandfather!
