

## The Yun Family's Ninth Child is an Imp! Chapter 913

Su Yanran almost went crazy when she saw the scene in front of her. This Yun Chujiu was so freakish that even the heavenly lightning could not kill her! This damn heavenly lightning had terrible timing. Why did it come here now? It was detestable.

The Wu Yun in the sky kept attacking for a short while, and then for some reason, it suddenly withdrew. Yun Chujiu was so angry that she gritted her teeth. Why did this damn heavenly lightning stop? It was infuriating. Fortunately, her spiritual power had already risen to the eighth level of the spiritual emperor realm, and she had achieved her goal.

Seeing that the heavenly lightning had stopped, Su Yanran looked at Yun Chujiu. To her astonishment, she found that Yun Chujiu's eyes were actually emitting purple lightning, which made her look extremely demonic.

Taking a closer look, she found that Yun Chujiu's eyes were no different from ordinary person's. She thought to herself, could it be that she had been seeing things?

"Yun Chujiu, the Heavenly Lightning didn't kill you. I'm here to finish the job." Seeing Yun Chujiu's abnormal abilities, Su Yanran was even more anxious to get rid of Yun Chujiu. As long as this b\*tch Yun Chujiu was alive, she would never be able to make a name for herself, her big plans would never be completed. She had to kill her.

Yun Chujiu smiled at her. Then, Su Yanran and the others noticed that the level of Yun Chujiu's spiritual power was slowly increasing. It was at the second, fourth, fifth, sixth, and seventh level of the spiritual emperor realm. It only stopped when she reached the eighth level of the spiritual emperor realm.

Everyone was shocked!

How could this be? Although Yun Chujiu might have hidden her spiritual power, she was at most at the fifth level of the spiritual emperor realm. How could she reach the eighth level of the spiritual emperor

realm in such a short time? This did not make sense. Could this be the perverse part of the Heavenly Thunder Spiritual Root?

Su Yanran was also shocked. She did not think too much and immediately resumed her attacks. She planned to take Yun Chujiu down while her spiritual power was still unstable.

Yun Chujiu smiled faintly. She waved her right hand and released two bolts of lightning. Then, she waved her left hand, and another two bolts of lightning shot out. Moreover, the lightning she fired this time was also much thicker than before.

Su Yanran hurriedly dodged. Yun Chujiu waved her hands repeatedly, and lightning bolts continuously flew toward Su Yanran. The two of them were once again entangled in battle.

The people of the Spirit Radiance Sect were pleasantly surprised to find that although Yun Chujiu's spiritual power was still not as high as Su Yanran's, Yun Chujiu had the upper hand in the situation. If the fight dragged on, Su Yanran would lose.

Su Yanran also realized the same thing at that point. Her entire person had suffered a huge blow. Impossible! She was already so strong, so how could Yun Chujiu, this trash, still be able to defeat her? It was impossible.

Su Yanran gritted her teeth. Forget it. Her doubts could be solved later. She had to kill Yun Chujiu first. Thus, she jumped back and sneered, "Yun Chujiu, Stop! If you want Yun Xiaotian to live, you have to kill yourself immediately."

"What did you do to my grandfather? I have to see my grandfather safe and sound with my own eyes." Yun Chujiu indeed panicked. She completely lost her calm and self-confidence from before.

Su Yanran immediately revealed a smug smile, 'So what if you're strong? I've found your weakness. I had no doubt that you'd stop when I mentioned your grandfather.'

Su Yanran took out a voice transmission talisman and sent a message to the golden-masked man guarding Yun Xiaotian. She motioned for him to bring Yun Xiaotian over. Then, to her horror, she realized that the voice transmission talisman had not worked.

Su Yanran sent another voice transmission talisman to another golden-masked man, but it also did not work. This could only mean one thing. They had already been killed. Yun Xiaotian must have already been rescued.
