

The Yun Family's Ninth Child is an Imp! Chapter 926

Yun Chujiu was stunned at first, then she understood what Di Beiming was referring to. She shook her head with a red face. Damn it, she was also puzzled. Why had her period not arrived yet?!

When she looked at her body just now, although there was a slight curve, it was still far from exquisite. It must be because her period had not come yet. Why was this?

Di Beiming sighed regretfully. He had to wait for Little Jiu to grow up before he could do it. Otherwise, he really would have to hold back indefinitely.

Yun Chujiu felt that the atmosphere between the two of them grew even more awkward. She was afraid that Di Beiming's bestial nature would overcome him, so she quickly changed the topic. "Prince Charming, why were you so angry just now?"

Hearing Yun Chujiu mention this matter, Di Beiming's face darkened. "Hmph! You're in such a hurry to see that merman. Did you forget your birthday?"

Di Beiming eagerly came to the Spirit Radiance Sect a day earlier to look for Yun Chujiu. Who would have thought that she was not at the Spirit Radiance Sect at all? He could not even contact her through the voice transmission talisman. He was worried to death, who would have thought that she would run to the Chimeric Icefield to see that damned merman. He was so depressed that he wanted to bang his head against the wall.

"My birthday? Oh my god, I've forgotten about my birthday!" Yun Chujiu only then remembered that she had already celebrated her seventeenth birthday.

"Hmph! You must be so happy that you didn't want to go home, right? You even forgot about such a good opportunity to amass wealth. I thought that you would take the opportunity to ask for gifts from those who are indebted to you. I didn't expect that merman to be so charming that you'd travel all the way there. Could it be that he accompanied you on your birthday?" The sour tone in Di Beiming's words was so sour that it almost made one's teeth drop.

Yun Chujiu was stunned for a moment before she finally understood why Di Beiming was so angry. It was because he was jealous of the merman!

Yun Chujiu could not help but laugh out loud, "Prince Charming, are you jealous?! Hahaha, so you have such feelings too! Hahaha, I, Yun Chujiu, have finally seen the light!"

Di Beiming was both angry and annoyed, "Don't change the topic, did you specifically go to see that merman?"

"Sigh, Prince Charming, you misunderstood me. I went to the Sea of Stars to release the Illusionary Electric Eel, and then I incidentally found a whirlpool. I was curious and went to investigate, but I didn't expect to be sucked into the whirlpool. After I got out of the whirlpool, I found myself in the river of the Chimeric Icefield. So I wanted to go and see Brother Merman. I didn't expect that the underground palace where Brother Merman was imprisoned was gone, and the Ten-Thousand-Year-Old Snow Ganoderma had also disappeared."

When Di Beiming heard Yun Chujiu's words, he shamelessly felt a tinge of joy in his heart. Damn it! It was better that the merman had disappeared. All the better to prevent the Black Thing from thinking about him all the time!

"Sigh! Prince Charming, you didn't care about me falling into the whirlpool. Instead, you're angry at me. How can I not be sad? How can I not be angry? Do you think your jealousy is unreasonable? You didn't even give me a chance to explain. You wrongly accused me without any reason. Shouldn't you apologize to me?" Yun Chujiu looked at Di Beiming with a pitiful and aggrieved expression.

Di Beiming saw Yun Chujiu's small appearance and his heart instantly softened. "Little Jiu, it's my fault this time. I definitely won't wrongly accuse you next time."

"Hmph! I'll forgive you this time. If you do it again, I won't let you off so easily." Yun Chujiu puffed her cheeks and said angrily.
