

## The Yun Family's Ninth Child is an Imp! Chapter 928

An Feng silently stepped backward. Damn, this Little Black Bird was a copy of Miss Jiu. He was too talkative. If he knew that he was the one who did it, he would be tortured to death.

Yun Chujiu coughed dryly with a guilty conscience. "Alright, it's my fault this time. As compensation, we'll have some roast meat later."

Little Black Bird wanted to continue haggling for more benefits, but he saw Di Beiming's cold gaze, he was terrified, "Alright, master, you must not suspect me in the future. I'm such a good bird, why would I steal food? Especially a fruit core."

Yun Chujiu nodded and let Little Black Bird go. After Little Black Bird was freed he immediately flew up to the tree and cursed, "Damn it, if I find out who said bad things about me in front of my master, I will not forgive him! I curse him to fall to his death! Hmph!"

An Feng, who felt miserable, fell to the ground. After he got up, he even tried to cover it up and said, "Sigh, I have been feeling dizzy for the past few days. I even fell in the middle of the day."

Little Black Bird snorted, "Humph! I won't forgive that bastard. I'll curse him at least once every day. We'll see!"

Yun Chujiu was secretly amused. An Feng had gotten into trouble this time. Little Black Bird had become vengeful.

Since it was also lunchtime. Yun Chujiu prepared the roast meat. She remembered that she had not seen the Fire Spirit Beasts for a long time, so she ran to the back of the West Peak and called the nine Fire Spirit Beasts over.

The Fire Spirit Beasts had not seen Yun Chujiu for a long time, so they were very excited when she called them, especially the five little Fire Spirit Beasts, who cutely shook their heads and wagged their tails.

It was the first time that the Flaming Three Tailed Fox King and Little Black Bird saw these Fire Spirit Beasts, and they were extremely shocked, 'Damn, these are exotic beasts Fire Spirit Beasts aren't they?!'

It was said that it was difficult to tame even one, but the crazy master managed to tame nine? This was too crazy!

Yun Chujiu let the Three Silly Munchkins play with the Fire Spirit Beasts while she and An Feng roasted the meat.

While Yun Chujiu was roasting the meat, Little Black Bird secretly flew over. "Master! Master! I want to report something!" Little Black Bird said

Report? Yun Chujiu was stunned. "Report what?"

The Little Black Bird used its short wings to point at the Little Fire Spirit Beasts. "Master, Look, they keep pulling on the ground with their claws. They even eat pebbles. Maybe the core of the fruit was swallowed by them," said Little Black Bird.

Yun Chujiu looked in the direction that Little Black Bird was pointing at. Sure enough, the five little Fire Spirit Beasts were using their claws to dig at the ground and swallow some of the stones inside.

Yun Chujiu's heart skipped a beat. She had once let these Fire Spirit Beasts play in the yard. It was possible that they had swallowed them.

However, after seeing how Little Black Bird reacted when he was wrongly accused, Yun Chujiu was more tactful this time. She walked to the side of the little Fire Spirit Beasts and asked, "Do you eat the stones you find too?"

A soft child's voice responded, "Yes, we like to eat stones, but Master, your food is even better."

"Master wants to ask you, have you seen a fruit core here? There are very deep patterns on it, and it's brown in color..."

Before Yun Chujiu could finish, one of the small Fire Spirit Beasts said, "I've seen it, I've seen it. That fruit core is very strange. My strong stomach couldn't digest it. It's in our cave, and it even sprouted!"

Yun Chujiu was so elated that she almost jumped. She tried hard to suppress her excitement. "Is what you said true? It sprouted? Isn't the temperature in your cave very high? You can't see the sun from inside too, so how did it sprout?"
