

## The Yun Family's Ninth Child is an Imp! Chapter 933

Yun Chujiu gave one of the pills that she refined to Di Beiming. "Prince Charming, although the purity of your spirit root should have already reached nine stars, it's not bad to further nourish it."

Di Beiming nodded, took the pill, and threw it into his mouth.

"Little Madman, come here, this is yours! This is An Yin's!" Yun Chujiu took out two more Universal Essence Cleansing Pills and handed them to An Feng and An Yin.

An Feng and An Yin also swallowed the pills.

After the three of them swallowed the pills, they did not feel any reaction. They thought to themselves, could it be that these pills were just placebos?! Why was there no reaction at all?!

A quarter of an hour later, An Feng let out a strange cry and rushed to the toilet. Immediately after, An Yin also rushed in with a stiff expression.

Yun Chujiu was done for! Did she turn the Universal Essence Cleansing Pill into a laxative?!

Yun Chujiu looked at Di Beiming and asked timidly, "Prince Charming, are you alright?"

Di Beiming frowned, "My body feels a little greasy. I want to take a bath, don't come in."

"Prince Charming, it's fine if I don't go in, but do you have a bathtub in your storage ring? Do you have any bathwater?" Yun Chujiu pouted. She sounded like a pervert, it's not like she wants to peek!

Di Beiming's face stiffened. "No."

“Then it’s settled. I have to go in and prepare it for you. Don’t worry, I Won’t do anything to you in broad daylight.” Yun Chujiu said slyly. Her tone was like that of a ruffian who was teasing a good woman.

Di Beiming raised his eyebrows. “Little Jiu, I advise you not to act Rashly. Otherwise, I can’t guarantee that I’ll wait for you to grow up.”

“HMPH! Who are you trying to scare? ! When the time comes, we might not even be able to settle the matter between us!” Although Yun Chujiu was already terrified in her heart, she did not want to lose. She went into the house dejectedly to prepare the Bath Water.

Di Beiming curled his lips and followed her into the house.

Yun Chujiu was like a hardworking little bee. She helped Di Beiming prepare the bathwater and then left the house dejectedly.

This fellow sat on the Stone Chair and pondered. It was probably due to the different amounts of impurities in his body that his reaction was different. The gigolo’s spirit root was very high, so the impurities could be excreted through sweat. On the other hand, An Feng and An Yin had too many impurities, that was why his reaction was so big. Therefore, the Universal Essence Cleansing Pill that she refined should be effective.

An Feng and An Yin only returned after a full two hours. Although their faces were slightly pale, they were very excited.

“Miss Jiu, I feel that the speed at which I absorb spiritual Qi has become much faster. This pill of yours can indeed increase the level of my spirit root,” An Feng said excitedly.

An Yin was not good with words. She just bowed to Yun Chujiu and said, “Thank you, Miss Jiu.”

Yun Chujiu waved her hand and said, "We are all family. There's no need to thank us! However, my idol has been washing for two hours. Why isn't he coming out?"

"My Idol? My Idol? Why aren't you done washing? Do you need me to go in and help? The water is already cold, right? Shall I go in and add some hot water for you?" Yun Chujiu rolled her eyes and shouted with ill intentions.

Di Beiming's deep voice came from inside the room, "No need."

However, after waiting for a while, Di Beiming still did not come out. Yun Chujiu blinked her eyes. Something was wrong. The gigolo must be causing trouble.. "Prince Charming, if you don't come out now, I will rush in!"
