

The Yun Family's Ninth Child is an Imp! Chapter 934

Just as Yun Chujiu finished her sentence, the door opened and Di Beiming walked out.

Yun Chujiu's mouth dropped and her face was filled with shock. Damn, why was the pretty boy even more handsome than before? Damn! His skin was almost as smooth as hers! How did things turn out so well?!

His facial features were as sharp as a knife, his eyebrows were as black as ink, and his eyes were like cold stars. His lips were tightly pursed and he exuded an aura of abstinence and lust. Yun Chujiu felt that her little heart was about to jump out. Damn, she was about to faint!

Di Beiming was a little uncomfortable. He felt that it was too unmanly for a man to have such good skin. It was still better to have his original skin color, which was why he did not come out for a long time.

However, when he saw Yun Chujiu's infatuated gaze, a trace of pride rose in his heart. Maybe he would not go to the Crimson Flame Island to get a tan for the time being. Originally, he wanted to go there to get a tan a little since he liked dark things.

Yun Chujiu's little face was flushed red as she walked up to Di Beiming. "Prince Charming, you're so handsome. I'm going to be charmed to death by you!"

Di Beiming was very proud when he saw Yun Chujiu's shy little appearance. However, if he knew what she was thinking, he would probably strangle her to death!

This fellow, Yun Chujiu, felt that she had profited handsomely. This feeling was as if she had just changed boyfriends.

An Feng and An Yin looked at each other. Deep sorrow flashed through their hearts. Did they take the same kind of pill? Not only did His Excellency not run to the toilet, he had become even more handsome, but they still looked the same?!

Yun Chujiu diligently massaged Di Beiming's shoulders and poured him tea. She was extremely virtuous, and her small eyes were filled with admiration. Di Beiming felt as if he had drifted to the clouds.

Di Beiming enjoyed this kind of treatment, so he turned a blind eye to the pervert Yun Chujiu who took advantage of him from time to time.

An Feng and An Yin felt like rejects. The two of them hid in a corner and were secretly sad.

Yun Chujiu flirted with Di Beiming for a while before she remembered what she originally set out to do. She eagerly took the fresh batch of Universal Essence Cleansing Pills and went to find the Yun siblings.

When Yun Chusi and the others saw the pill that Yun Chujiu proudly took out, they could not help but think of the demonic beasts that had eaten Yun Chujiu's pill. Some of them had three eyes, some had two tails, and some even had all their hair fallen off. They immediately shook their heads like rattle drums. They would not eat this pill even if they were beaten to death.

Yun Chujiu was anxious when she saw their reluctance. How could the pill that she had spent so much effort to refine not work? They had to eat it!

Thus, she used her spiritual power that was much higher than theirs to forcefully stuff the pills into the Yun siblings' mouths.

The Yun siblings were very anxious and wanted to spit out the pill. However, Yun Chujiu just sat there and stared at them, so they could only forcefully endure it.

After a quarter of an hour, the six people's stomachs began to hurt. Only then did Yun Chujiu show her kindness and let them off. The six people immediately rushed to the latrine.

The six of them only had one thought in their hearts, 'What was Little Jiu doing? Was she crazy?! Sob sob, could it be that they had also started transforming into monsters?!

When the six of them came out of the latrine, Yun Chujiu had already gone elsewhere. She was currently interrogating Feng Ming and the other two with a serious expression.

“Three senior brothers, I have here three top-notch rare pills. After you take them, your spiritual power level will increase in the blink of an eye. However, you must first tell me, have your fruits been peeled yet?”
