

## The Yun Family's Ninth Child is an Imp! Chapter 935

Peeled fruit?

What did that mean?

Feng Ming and the other two did not react at first and looked at Yun Chujiu in confusion.

Yun Chujiu coughed dryly. "What I meant was that you guys haven't had sex with anyone, right?"

Sex?

The three of them still did not quite understand what Yun Chujiu meant.

Yun Chujiu gritted her teeth. "What I meant was that you guys haven't had sex with a woman yet, right?"

Had sex?

Although the three of them had never heard of such a thing, they could roughly guess it. The three innocent young men's faces immediately flushed red. "Junior sister Xiao Jiu, you, why are you asking this question?"

"My pill is a bit special. It's only effective for those who have never done it yet. Have the three of you ever had sex?"

The three of them shook their heads repeatedly. However, they were just as opposed to the pill in Yun Chujiu's hand as the Yun siblings. It was because they remembered those demonic beasts that had been tortured by Yun Chujiu. That hairless bear had yet to regrow its hair!

“Humph! When have I ever cheated you? I’ll ask you again. Are you going to eat it or not? If you don’t, I’ll give it to someone else!” After saying that, Yun Chujiu acted as if she was going to leave.

The three of them smelled the rich medicinal fragrance and thought about the alluring effect that Yun Chujiu said. They gritted their teeth and said, “We’ll take it!”

“That’s right! This spirit medicine was refined by me with some difficulty. As long as you eat it, your spiritual power will rise. When that time comes, I’ll wait for you guys. Then, we can ascend together. Think about how wonderful that is! All of you are the youngest to ascend apart from me. How awesome is that!” Yun Chujiu handed the medicinal pill to the three of them and said with a smile.

When the three of them heard Yun Chujiu’s words, they swallowed the medicinal pill without hesitation. Feng Ming thought for a moment and asked, “Junior sister Little Jiu, there aren’t any side effects from this medicinal pill, right?”

Yun Chujiu blinked her eyes. “Side effects? Will the medicinal pill I refined have any side effects? Don’t worry, there aren’t any side effects at all. Just wait for your spiritual power to soar! Well, I will leave first and wait for the good news!”

After saying that, Yun Chujiu hummed a song and hopped away.

Feng Ming and the other two looked at each other. Why did they feel that Junior Sister Little Jiu’s seemed somewhat smug before she left?! She was not teasing them, right?! The three of them could not help but think of those mutated demonic beasts that were tortured by Yun Chujiu...

Two hours later, the three of them clenched their stomachs and rushed into the toilet. F\*ck!! They knew that Junior Sister Little Jiu must have hidden something from them! Was this a cleansing pill or a laxative?!

However, when they came out of the latrine with pale faces, they felt that their bodies were incomparably lighter. Their perception of things was also much more sensitive than before. Most importantly, they felt that the speed of absorbing spiritual power was much faster than before.

“Junior Sister Little Jiu’s pill must have helped us remove the impurities in our bodies. In other words, our spiritual root level has increased,” Geng Yi said excitedly.

“Although Junior Sister Little Jiu has a temperamental personality, she is still reliable in big matters. We can’t let her down. Hurry up and cultivate! We’ll strive to reach the Tian Yuan continent with her.” Shi Xuan nodded and said.

However, Shi Xuan’s heart was somewhat worried about Yun Chuqi. Her spiritual power level was a little low, and she was afraid that she would not be able to ascend together with him. However, Junior Sister Little Jiu would think of a way to help her. It would be good for him to go to the Tian Yuan continent to check things out first. When she ascends, he would make things smoother for her.
