

The Yun Family's Ninth Child is an Imp! Chapter 946

The Demon Wolf understood human language. It roared angrily, "F*ck! You are the dog! Your whole family are dogs!"

When Yun Chujiu found that the Demon Wolf could understand her, she immediately felt confident. As long as you can understand human language, I can fool around with you even if you are a Demon Wolf.

"Little Puppy, we just ascended to the Tian Yuan continent and we met you. This must be fate!" Yun Chujiu said with a smile.

The Demon Wolf looked at Yun Chujiu with disdain, 'No wonder she was so weak. It turned out that she had just ascended. However, didn't they say that no one had ascended for thousands of years? Why did four of them suddenly ascend? And they were all so young? However, I don't care if you ascended or not. How dare you call me a dog? I will eat you all.'

"Little Puppy, you must have never eaten any demon beasts of the Azure Mystic Continent in your life, right? Don't you want to taste them?" Yun Chujiu continued to speak calmly.

The Demon Wolf was slightly interested. Regardless of whether it was a human or a beast, they were all curious. In particular, the more intelligent a demon beast was, the more human it would be, and the more curious it would be.

After seeing the change in the Demon Wolf's expression, Yun Chujiu took out a Windblade Ox carcass from her storage ring and threw it toward the Demon Wolf.

The Demon Wolf hesitated for a moment and took a small bite. When it realized that there was no poison in it, so it took a larger bite. It felt that the taste was average. The higher the level of the Demon Beast, the better it tasted. This Windblade Ox was too low-level, so it did not taste very good, therefore, the Demon Wolf ate half of the leg and stopped eating.

Yun Chujiu calmly threw out a big piece of Bloodthirsty Sword Shark meat. "Little Puppy, try the taste of the Demon Beast in the sea. I guess you haven't eaten demon beasts from the sea?"

After the Demon Wolf had tasted the taste of the Windblade Ox meat, it had lost interest in the demon beasts of the Azure Mystic Continent. However, when it heard that it was a sea beast, it immediately became curious. It had never eaten a demon beast from the sea, so it was curious on what it tasted like.

After the Demon Wolf smelled that there was no poison, it took a bite. The Bloodthirsty Sword Shark was a level 13 sea beast. Although its level was not as high as the Demon Wolf's, the spiritual energy contained in its meat was still relatively rich. Moreover, it was a sea beast that the Demon Wolf had never eaten before, therefore, the Demon Wolf swallowed a large piece of the Bloodthirsty Sword Shark's meat in just a few bites.

The Demon Wolf was not satisfied with the meal. It rolled its eyes and roared at Yun Chujiu a few times. Yun Chujiu quickly threw out another large piece of the Bloodthirsty Sword Shark's meat. The Demon Wolf ate the entire piece and then roared at Yun Chujiu a few times, Yun Chujiu threw out another large piece of the Bloodthirsty Sword Shark meat...

The Demon Wolf ate five large pieces of the Bloodthirsty Sword Shark meat in a row and then stopped. The sea beast meat was nothing much. Its eyes revealed a greedy light. It was ready to bite Yun Chujiu and the others to death so that it could move on to the next meal.

A faint light flashed in Yun Chujiu's eyes, 'Little Puppy, you still want to eat us? Let's see who laughs last!'

Just as the Demon Wolf was about to pounce on Yun Chujiu and the other three, Yun Chujiu shouted, "Wait, Little Puppy, aren't you changing your face too quickly?! As the saying goes, don't look a gift horse in the mouth. You've eaten so many of my things, yet you still want to eat us. Don't you have a dog's face?"

The Demon Wolf howled in anger, 'I'm not a dog, I'm a wolf! I will devour you for that insult!' The Demon Wolf opened its mouth and hundreds of wind blades flew towards Yun Chujiu and the other three.

Feng Ming and the other two were far away, so they easily dodged the wind blades. Although Yun Chujiu was not injured, she was left in a difficult position. She was in awe, the demon beasts of the Tian Yuan continent were shockingly powerful, it seemed that they were indeed the weakest beings in the Tian Yuan Continent.
