

## The Yun Family's Ninth Child is an Imp! Chapter 947

When the Demon Wolf saw that Yun Chujiu had dodged its wind blades, a trace of surprise flashed in its eyes. It thought that Yun Chujiu was so weak that she could be killed with one move, but it did not expect that she had dodged all the blades.

The Demon Wolf opened its mouth again, and hundreds of wind blades shot out again. However, this time, they were all aimed at Yun Chujiu alone. It hated Yun Chujiu so much when she called it a dog. It was a disgrace to a wolf to be treated like a dog.

Yun Chujiu relied on her agility and defensive spirit tools to dodge the Demon Wolf's attack. Before the Demon Wolf could launch another attack, Yun Chujiu waved her left and right hands repeatedly, and a few purple lightning bolts struck the Demon Wolf's face.

The Demon Wolf jumped to the side and dodged Yun Chujiu's attack. The Demon Wolf was shocked. It was a Heavenly Thunder Root Spirit. No wonder she had ascended to the Tian Yuan continent at such a young age.

Although the Demon Wolf was a little surprised, it did not take it to heart. Although this little girl had a Heavenly Thunder Root Spirit, her level was too low. Even if it was struck by her, it would not cause too much damage. Today, these people were fated to be its dinner.

Suddenly, Yun Chujiu shouted, "Run!"

Feng Ming and the other two turned around and began to run. The Demon Wolf looked at them with contempt and thought, 'I will kill that little girl first and then go after the other three. They will not be able to run far.'

The Demon Wolf continued to attack Yun Chujiu while coming up with its own plan. After Yun Chujiu barely dodged its attacks, she continued to attack the Demon Wolf with lightning.

The Demon Wolf was very disdainful. Its body was strong and it only needed to dodge to avoid appearing weak. Such weak lightning was not a big deal to it. Stupid girl, accept your death.

Yun Chujiu barely managed to hold on for less than fifteen minutes. The defensive spiritual tool on her body cracked and shattered into more than ten pieces which left her barely injured.

At that moment, the Demon Wolf spat out hundreds of wind blades again. While Yun Chujiu dodged, she threw a big sack at the Demon Wolf and ran away.

The big sack was cut into pieces by the wind blades, and the chili inside immediately scattered in all directions. Yun Chujiu was mentally prepared. She ran while holding her breath, while the Demon Wolf was in trouble!

No matter how high its rank was, it could not stand the pungent smell. It choked until tears flowed down its face, and it sneezed continuously. What annoyed it most was that the little girl's arrogant voice came from afar. "Little Puppy, a good woman doesn't fight with dogs. Goodbye!"

The Demon Wolf was so angry that its eyes turned red. It also choked from the chili but still chased after Yun Chujiu.

Feng Ming and the other two were worried about Yun Chujiu, so they did not run too far. When they saw Yun Chujiu's figure approaching, they continued running with all their strength.

Although the four of them used all their strength, in less than an hour, the Demon Wolf gradually closed the distance. It roared as it chased them.

There were also some demonic beasts below level 14 in that desert. Initially, when they saw Yun Chujiu and the others, they wanted to attack them. However, when they heard the Demonic Wolf's furious howl, they immediately ran away with their tails tucked between their legs.

“Junior Sister Little Jiu, we can’t escape like this. There’s nothing in this desert except sand. There’s no place to hide even if we want to.” Feng Ming said while panting heavily.

“Don’t worry, don’t worry. Let’s hold on for a while longer. I’ll have a way to deal with it.” A trace of cunning flashed in Yun Chujiu’s eyes.

Feng Ming and the other two were puzzled. Junior sister Jiu was not bragging, right?! That Demon Wolf’s strength was so monstrous, what method could she have to deal with it? If she had a plan, would she still have to escape in such a sorry state?

At that moment, the Demon Wolf behind them had already caught up. It roared at the four people. Then, it saw that the little girl had not run anymore. She stopped and turned her head to look at it with a smile.
