

## The Yun Family's Ninth Child is an Imp! Chapter 955

Yun Chujiu glared at them. After applying the hair growth pill on her head, she took out a handkerchief and tied it to her head. She still had two small tails behind her, which were trembling.

“Junior Sister Little Jiu, you are now a natural beauty. You still look like a little beauty this way,” Feng Ming said in a flattering manner.

Shi Xuan also quickly said, “Yes, Junior Sister Little Jiu. Some people say beauty is in the eyes of the beholder, but for a peerless beauty like you, anyone can see you are naturally beautiful.”

Yun Chujiu touched her chin. “Senior brother Shi Xuan, why does this word sound so familiar? It sounds like something I told seventh sister. How did you know?”

Shi Xuan laughed dryly. “It’s a coincidence. Pure coincidence.”

Yun Chujiu curled her lips. “Let’s rest for a while, then continue on our journey. We’ll have a good rest when we reach the town.”

Feng Ming and the other two nodded. After eating some pills, they ate what food they had and began to meditate on the spot to rest.

At that moment, the sound of footsteps could be heard in the distance. The laughter of young men and women could also be heard. Yun Chujiu’s heart was filled with a mix of joy and worry. Seeing a cultivator meant that this place should not be far from the town. However, she did not know what kind of person they were. It was common for cultivators to kill and steal treasures from others. The four of them had such weak spiritual energy too so it was inevitable that they would be bullied.

Yun Chujiu decided to remain still and did not move. She glanced at the person from the corner of her eyes.

About ten people walked over from the distance. Men and women were chatted and laughed. The atmosphere was very harmonious. The men were handsome while the women were charming. They were all good-looking.

The clothes they wore were not uniform so they should not be from the same faction. They should only be on good terms with each other. That was why they came out to train together.

At that moment, those people also saw Yun Chujiu and the other three. Feng Ming and the other two were also very outstanding. Although Yun Chujiu did not have hair, her skin was as white as snow. Her exquisite facial features also made people's eyes light up. However, when they realized that the four of them were only at the first level of the spirit sect, immediately, they no longer had any intention of befriending them. A few of them even curled their lips and said with a sneer, "You have grown a good bag of skin for nothing. You four good-for-nothings."

If Feng Ming and the other two had heard someone say this in the past, they would have confronted them. However, Yun Chujiu had already given them some food for thought. Therefore, although they felt indignant in their hearts, they did not say anything and continued to meditate and rest.

"Aiyu, not only is their spiritual power bad, their ears are not working well. Tsk, how pitiful!"

"Tsk! What do you mean your ears are not working well? This is called being sensible, they are smart! If they dare provoke us, I will cripple them!"

"Exactly, such trash can be beaten with a single finger! However, in front of us is the Flaming Desert. Could it be that these four people want to enter the Flaming Desert?"

“Forget it! With trash like them, they still want to enter the Flaming Desert? They should be hunting low-level demonic beasts at the edge of the desert.”

...

Yun Chujiu sneered in her heart. It seemed that there were quite a number of people who thought highly of themselves wherever they went. They could say whatever they wanted as long as they did not provoke them. Otherwise, do not think that I, Yun Chujiu, would dare to kill you just because you have high spiritual power.

At this time, an arrogant voice said, “Hey! Since the four of you have already been here, have you seen the Purple Heavenly Lightning?”

Yun Chujiu’s heart moved. Could it be that these people came for the Purple Heavenly Lightning? Could it be that they thought that some heavenly treasure had appeared?

Yun Chujiu said indifferently, “We have seen it. It kept going on for several hours and it was very scary. We were so scared until our legs went soft, so we sat down to rest.”
