

The Yun Family's Ninth Child is an Imp! Chapter 956

When those people heard Yun Chujiu's words, they immediately burst into laughter. They were really cowardly. They were frightened by the Heavenly Lightning until their legs went soft. hahaha!

Feng Ming and the other two were very angry in their hearts. However, when they saw that Yun Chujiu's expression was still indifferent and was not affected by these sneers, the three of them also calmed down and continued to meditate with their eyes closed.

"Hey, let me ask you, did anything strange happen?" asked a girl in red.

"There was indeed something strange. Some demon beasts were fighting with each other, and it was hard to see them from afar. It seemed that a group of Demon Wolves and a group of Demon Tigers were fighting until the sky was dark. Later, the Lightning kept striking, and they all dispersed."

"Tch! One look and you can tell that they are country bumpkins who have never seen the world! Demon Wolves and Demon Tigers? Those are Wild Desert Wolves and Wild Desert Tigers. I don't know where these four country bumpkins came from!" A man said with disdain.

"Oh, so it's Wild Desert Wolves and Wild Desert Tigers. I didn't know. Thank you for your advice." Yun Chujiu thanked him indifferently.

That person never expected that Yun Chujiu would not only not be angry, but also thank him. He was stunned for a moment and then muttered, "You're crazy!"

The girl in red and one of the men in white said, "Senior Liu, it seems that there are indeed natural treasures there. Otherwise, those Wild Desert Wolves and Wild Desert Tigers would not fight so fiercely for them. There is no need for us to go in. Those Wild Desert Wolves and Wild Desert Tigers are of a much higher level than us. If we meet them, I'm afraid we will be doomed."

“Junior Sister Su Lian, what you said makes sense. Since there’s no need to go in, let’s go back. You should hurry up and prepare for the entrance test.”

“Yes, Junior Sister Su Lian, there’s no suspense at all about you passing the entrance test. With your talent and Senior Sister Yin Xinlian’s care, you’ll definitely be in the top 100 of the Roll of Prodigies in the future!”

“Tsk! Watch your tongue! Junior Sister Su Lian is so outstanding, why would she need Senior Sister Yin Xinlian’s help?!”

“That’s right. Our Junior Sister Su Lian is only nineteen years old, but she’s already at the fifth layer of the spirit sect. With such outstanding talent, not to mention the top 100 of the Roll of Prodigies, it’s even possible for her to be in the top 10!”

...

The red-dressed girl’s face was full of pride, but she concealed it and said, “Seniors, seniors, you’re flattering me! How can my talent be considered outstanding? Only those like His Excellency and Young Master Wuji are called outstanding talents.”

Yun Chujiu was sensitive enough to detect a hint of shyness in the girl’s words, ‘Damn it! Little b*tch, it’s fine if you covet Wu Ji’s head, but if you dare to have plans to go after my Prince Charming, I won’t let you off. How dare you snatch my man! I’ll torture you to death!’

“His Excellency and Young Master Wuji are not people our generation can compare to. I heard that when they were studying at Tianyuan Academy, the total points of the two of them added together was more than the total points of the others!”

“What?! The two of them entered the academy at the age of fourteen. Normally, they would need five years to graduate, but the two of them graduated in just three years. Moreover, up until now, many

records have been maintained by the two of them. Our headmaster said that these two people are geniuses that appear once in ten thousand years!”

“Yes, we can only look up to such people. However, you girls are still better off. At least you can still marry them. We don’t even have the chance to become their subordinates. Their subordinates are all secret guards who have been trained since they were young.”

Upon hearing the man’s words, the few girls were all bashful, especially the girl in red. Her face was flushed red as she stamped her feet and said, “Senior, what nonsense are you talking about?!”
