

The Yun Family's Ninth Child is an Imp! Chapter 962

Shopkeeper Qi was very surprised. Commander An Feng, who could be said to be the most respected person in the Hall of Longevity apart from a few masters, how could he be so respectful to this little girl?

Moreover, there was a bit of fear within the deference. How was this possible? This little girl was only at the first level of the spirit sect. Commander An Feng was an expert at the level of a spirit paragon. How could he be afraid of a little trash like her?

“Ninth Miss, in half a month, Tianyuan Academy will begin to recruit students. Anyone between the ages of fourteen and twenty-five can take the entrance exam.”

“The entrance exam is different every year, but it usually consists of three rounds of tests. Only those who pass the test will be eligible to enter the Academy.”

“The tuition fee of Tianyuan Academy is not cheap, ten thousand upper-grade Spirit Stones per person per year. However, if you can get into the top ten of the entrance exam, not only will you be exempted from the tuition fee, you will also be rewarded with a different amount of points.”

...

An Feng told Yun Chujiu everything he knew.

Yun Chujiu nodded, half a month was enough time to make some preparations. “An Feng, help me do one thing. Help me calculate the contents of the entrance examination for the past ten years. It would be even better if you can calculate the contents for the past twenty years. Also, prepare a copy of the details and preferences of the principal and teachers of Tianyuan Academy for me.”

An Feng knew that Yun Chujiu was full of ideas, so he did not question her instructions. He immediately arranged for people to gather the requested materials. It was a piece of cake for the secret guards of the Hall of Longevity to do these things. In just two days, the materials that Yun Chujiu wanted were all

prepared, moreover, they had even completed an additional task: gathering the current information of the students of Tianyuan Academy.

Yun Chujiu's heart was filled with envy. Since when did her Thunder Sect have such power? No wonder the Pretty Boy looked so flustered. He was indeed awesome.

Yun Chujiu went into seclusion and studied in her room for a few days. Then, she spent the rest of her days strolling around in Vigour City. The news that Yun Chujiu was the daughter of the Palace Mistress's old friend had already spread. Therefore, even though everyone despised her for having low spiritual power, with such a title, no one dared to make things difficult for her.

Yun Chujiu thought to herself, 'The Palace Mistress is not too bad. No matter what, she acts as her protector, her umbrella. Cough, cough, next time, I should extort fewer Spirit Stones from her.'

Yun Chujiu bought a bunch of scattered items. Feng Ming and the other two did not understand why, but they did not ask either. Anyway, Junior Sister Little Jiu would not spend money recklessly. It was probably something useful.

The three of them were worried about one thing, and that was the tuition fee. 10,000 high-grade Spirit Stones were equivalent to 100,000,000 Low-grade Spirit Stones. They only had tens of millions of low-grade Spirit Stones on them. It was simply not enough.

After Yun Chujiu noticed their concerns, she said with a smile, "Senior Brothers, you don't have to worry about that. When the time comes, we'll make it into the top ten. Won't the tuition fee be waived? Besides, I have plenty of money now. Ten thousand high-grade Spirit Stones is a small matter. Prince Charming's mother has already given me two hundred thousand high-grade Spirit Stones. It's enough for us to last until we graduate!"

Feng Ming and the other two automatically ignored Yun Chujiu's previous words. The top ten? Junior Sister Little Jiu, wake up! Forget about the top ten, if we can get into the top ten with the results, we'll be lucky!

Half a month passed in the blink of an eye, and the day for the registration of the Tianyuan Academy had arrived.

Early in the morning, Yun Chujiu and the other three cheerfully headed towards the registration area of the Tianyuan Academy. The registration area was right in front of the Tianyuan Academy's Square, and when Yun Chujiu and the other three arrived, tens of thousands of people had already gathered.
