

## The Yun Family's Ninth Child is an Imp! Chapter 967

Yin Sulian heard Yun Chujiu's words and felt a little suspicious. When she saw the guilty look on Yin Xuecheng's face, her heart was filled with hatred. Damn it! She had been used by him!

However, this Yun Chujiu was really detestable. She had to teach her a lesson today. As long as she was not killed, the Palace Mistress would not do anything to her.

Thinking of this, Yin Sulian angrily said, "Yun Chujiu, there's no need for you to sow discord here. You hurt my cousin, so you have to apologize to him."

"Aiyo, you're really stupid. I've told you the stakes, but you still don't know how to repent. You're too stupid to be saved," Yun Chujiu said with a smile as she dodged the wind blades.

"I've been holding back from this fight. I didn't lay a finger on you. If this gets out, will people say that you, Yin Sulian, are bullying others? Will people praise me for being open-minded and not fighting back when you're forcing me? The ways of the Hall of Longevity and the Yin family are very different!"

The spectators finally understood why Yun Chujiu had not fought back. It was actually for the reputation of the Hall of Longevity. Compared to the Yin family, their actions were too ostentatious. They did not have the foundations of an aristocratic family, they behaved just like the nouveau riche.

When Yin Sulian heard the crowd's discussion, her eyes turned red with anger. She had never suffered such a loss since she was young. Today, she had to kill Yun Chujiu.

Seeing that the spiritual attack could not hurt Yun Chujiu, Yin Sulian gritted her teeth and took out a treasure sword from her storage ring. The crowd immediately cried out in surprise.

"This is the Yin family's Heavenly Thunderbolt Sword! It is said to be able to emit lightning-like light with astonishing power. This is the Yin family's heirloom!"

“No wonder it is said that Second Lady Yin is the most doted on by the Yin family’s patriarch. Now that I see it, it is indeed so. She gave the Heavenly Thunderbolt Sword to Second Lady Yin.”

“This time, that little girl is finished! The Heavenly Thunderbolt Sword’s power is astonishing. Although her movement technique is not bad, she can’t avoid it.”

...

At that moment, a voice was heard shouting, “Second Lady Yin, sheathe that sword!”

Yin Sulian looked up and saw Shopkeeper Qi rushing over. Shopkeeper Qi felt uneasy and thought that if something happened to Yun Chujiu, he would probably be involved as well, so he decided to come and take a look.

He happened to meet Shi Xuan halfway and heard Shi Xuan talk about what happened. Shopkeeper Qi’s heart sank. He thought to himself, little girl, you really can cause trouble! How could you cause such a big mess just by registering?

When Shopkeeper Qi rushed over, he saw Yin Sulian summoning the Heavenly Thunderbolt Sword. He was so frightened that his face turned pale. He quickly shouted and walked between Yun Chujiu and Yin Sulian, wanting to stop Yin Sulian.

When Yin Sulian saw that it was Shopkeeper Qi, she was already blinded by anger. She said with a cold face, “Shopkeeper Qi, I’ve already let you off a few days ago. This matter has nothing to do with you. Get lost, or don’t blame me for turning hostile and hitting you by accident.”

Shopkeeper Qi was slightly displeased. Although he was only a shopkeeper, he was the Palace Mistress’s trusted aide. He could also be considered as someone respected in the Hall of Longevity. To be scolded by Yin Sulian like this, he felt somewhat embarrassed.

Yun Chujiu rolled her eyes, she could not contain her anger and said, “Yin Sulian! Do you not know what it means to respect the elderly? Shopkeeper Qi is an old man from the Hall of Longevity. Even the commanders of the secret guards have to be polite when they see Shopkeeper Qi. Who do you think you are to talk to Shopkeeper Qi like that? Apologize to Shopkeeper Qi quickly, or I won’t forgive you.”
