

The Yun Family's Ninth Child is an Imp! Chapter 969

"Thank you very much, Miss Yin. I will report this matter to the Palace Mistress truthfully. Farewell!" Shopkeeper Qi gave Yun Chujiu a look after he finished speaking, indicating for her to leave with him.

Yun Chujiu followed Shopkeeper Qi and left eagerly.

"Sister, are we going to let that b*tch off just like that?! She bullied me terribly!" Yin Sulian stomped her feet and said angrily.

"I've already said that this matter ends here. You're not allowed to cause any more trouble for her. The entrance exam is going to be held in three days. Prepare well. If you fail the exam, father will not forgive you when you return."

"I know! I'll definitely pass the exam." Yin Sulian said defiantly.

Yin Xinlian looked at Yun Chujiu's back and a trace of sternness flashed across her eyes. The daughter of the Palace Mistress's old friend? Brother Beiming? He addressed her rather amiably. The Palace Mistress had yet to decide on a suitable fiancée for her. Could it be that she was letting this trash be his fiancée?

Yin Xinlian shook her head. It cannot be. How could the Palace Mistress take a fancy to such trash! It should only be a case of caring for the daughter of an old friend. Yun Chujiu, you better not have any thoughts that you should not have. Otherwise, I will definitely kill you.

"Achoo! Achoo! Damn it! It must be that little b*tch scolding me!" Yun Chujiu sneezed twice and said fiercely.

Shopkeeper Qi staggered. This little girl was too rude. No wonder the Three Beauties of Tianyuan Academy did not catch the eye of His Excellency. It turned out that His Excellency liked this sort of woman!

“Miss Jiu, the Yin family is quite powerful. You’d better not get into conflict with them in the future,” Shopkeeper Qi advised.

“Yes. Shopkeeper Qi, don’t worry. If they don’t provoke me, I will not provoke them either. I have always valued harmony,” Yun Chujiu said with a smile.

Shopkeeper Qi’s eyes twitched violently. Although they had not known each other for a long time, this little girl did not seem to have any intention of maintaining harmony. She really could cause trouble!

However, after the entrance test was over in three days, he would feel relaxed. Her group might not even make it past the first round.

Three days passed in the blink of an eye. The entrance test for Tianyuan Academy had finally begun.

Early in the morning, Yun Chujiu and the other two arrived at the square in front of Tianyuan Academy.

The instructor in charge of the test briefly explained the rules. “The first round of the test is very simple. Four of you will be sent to a Secret Realm. The Violet Brocade Grass will grow in the Secret Realm for five days. The score will be based on the amount of grass you have collected. The top 1,000 teams will move on to the second round of the test. The rest will be eliminated.”

Following the teacher’s words, a purple spirit herb appeared on the huge display screen in the square. The details were also magnified so that everyone could understand the characteristics of the Violet Brocade Grass.

“Now put the four of your registration jade tokens together and combine the four jade tokens according to the hand seals I will teach you.” After the teacher finished speaking, he demonstrated the hand seals.

After everyone completed the hand seals according to his instruction, the four jade tokens indeed became one. At this time, someone raised his hand and said, "Teacher! Teacher! Are our jade tokens defective? Why can't we combine them?"

The one who spoke was Yun Chujiu. She and Feng Ming had tried for a long time, but they still could not combine the four jade tokens. They could only raise their hands and ask.

The teacher frowned slightly. This was the first time he had encountered such a situation. He looked at Yun Chujiu and the others, he suddenly came to a realization. "Only those at the third level of the spirit sect or above can use this hand seal technique. Your spiritual power is not high enough, so you did not succeed. Come over, I will help you put together the jade tokens.."
